Dear Parents/Guardians,

Great News, we will be continuing to have our costume parade this year on October 30th! We would love to have you come watch our All-Star student Costume parade. Please park on North Coleman Road, but be aware of the **No Parking** signs that are posted on the opposite side of North Coleman Road. The bus loops will be closed after the buses pull out of school because our parade will take place within the bus loop.

Parents will stand on the blacktop of the bus loop while the children parade around the bus circle. Our students will march out of the building from the Main Entrance doors and then will parade around the bus circle two times. Please remain in one place on the blacktop until the students finish parading around the circle two times. Then we will have the class take a photo which will be shared on North Coleman Road's Class Dojo at the end of the day. All students must remain with their classes while marching and taking a picture.

Please be aware that if the students will be participating with their costumes, they must wear their costume to school. Please do not send your child in with a mask, accessories or any costume that is not appropriate for school. Be sure that your child can still use the bathroom independently when wearing his/her costume.

This event will be weather permitting, but we would love to have you come see our All Stars march in their costumes outside around our bus loop! If you do not wish your child to participate in the festivities, please write a note to your classroom teacher and we will make accommodations for your child. Thank you in advance for your cooperation!
