RFP 218-10-27 Pre-Positioned Debris Removal Services

Addendum 1 – Response to Vendor Questions

1. The RFP states “all bids must be submitted using the attached Price Sheet/Bid Form”. There is no price sheet provided with the RFP.

Vendors should complete the Cost Proposal page contained in the RFP. Vendors should attach and submit Time and Material Price Lists and their Annual Retainer (if applicable).

2. Will a price sheet/bid form be provided? **(See Question 1)**
3. A Time and Materials Price List is referenced in the RFP, however, there is no form with this title.

Vendors should generate their Time and Materials Price List

4. Will a Time and Materials Price List be provided? **No.**
5. Please confirm the contract is a sample document to be executed post award and is not required to be included in the proposal.

That is correct. The Contract is a sample. Upon award, a contract with the specific details will be agreed upon and signed by the vendor and the District.

6. Is proof of insurance required with the proposal? **No. However, vendors attest to the ability to obtain insurance certificates, if required within 10 calendar days after notice of award.**
7. In regard to the Pre-Positioned Debris Removal, is there a price list that we should be using to price off of, or do we use our own internal price list? **(See Question 1)**
