

PINK WEEK

OCTOBER 5 - 9, 2026

Pink Week is here for some of our fall athletic teams. Cross Country, Girls Soccer, and Field Hockey will be supporting the fighters, survivors, and families in our community whose unique journeys matter in their fight against cancer. Tuesday, the Cross Country Team will host Newfane and Roy-Hart. On Thursday, the Girls Soccer teams will host Akron followed by the Varsity Field Hockey team that will host Kenmore. These athletic teams will be sporting pink wear and will be collecting donations for cancer research and supports for patients and families. On Wednesday, the Ultimate PINK OUT will take place for our staff and students. Wear as much pink clothing as you can to completely fill the hallways as we all raise awareness and support the fight.
