It's a Great Day To Be a Red Devil

Letter from the Principal

East Families,

We are well into the 26-27 school year and we have enjoyed getting to know our new students and welcoming back all our upperclassmen. As you know we have made a shift in our schedule to semesters so our first grading period is approaching along with parent teacher conferences. We encourage all parents to sign up to meet with your child's teachers. Instructions on how to sign up were sent in an email, if you need assistance please call 920-448-2090.

Staying connected to school is important, please make sure you have updated all your information in Infinite Campus. Please communicate any changes in phone numbers, emails or addresses to ensure we can continue to communicate with you. Another way to stay connected is by being part of our Parent Network/Booster Cub. We meet the first Monday of each month at 6:30pm in the cafeteria at East. Everyone is welcome!

If your child is struggling in class please talk to them about having conversations with their teachers, encourage them to study for tests and quizzes at home and remind them that they can flex to a teacher during advisory on Tuesday and Thursdays for extra help. In addition, if you as parents have questions about a specific class we encourage you to email or call your student's teacher first before reaching out to their counselor or associate principal. Teachers will be able to give you more up to date and accurate information about the class. Counselor and associate principals are here to support as needed.

Please reach out to the school if we can support in any way. Have a great October!

Lisa Lipp - Principal

Parking Passes

$75 Full Year

$37.50 2nd Semester

- Complete the 26-27 Parking Application
- Passes can be picked up in the Main office with payment & a Valid Drivers License

As a service to students and their families, GBAPS is making available an optional student accident insurance plan for your child at a very nominal cost. The district offers this program because of trends in rising family health and dental insurance costs, increased deductibles, co-payments, or lack of health or dental insurance coverage. Coverage and enrollment information is available at gbaps.org/enroll.

Families check with your students, there are several items in our lost and found. Jackets, water bottles, clothing. Lost and Found is in the attendance office.

If they think they are missing any electronics or jewelry ask the Office Staff to check the bin.

Update to Payment Processing for Student Fees and Food Service

To help manage the increasing cost of credit card processing fees, the district will begin applying a 3.85% processing fee to all credit card payments made through the Infinite Campus Parent Portal. This includes payments for student fees as well as deposits to food service accounts.

We are also introducing a new, lower-cost electronic payment option: ACH bank payments. By entering your bank account information in the Parent Portal, you can make payments electronically with a fee of $1 per transaction.

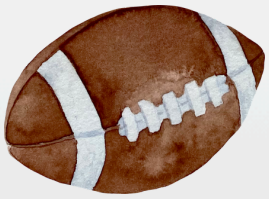

As always, cash and checks remain acceptable forms of payment for both student fees and food service.

The earlier you submit the form, the more time you have to get acquainted with UWs and take advantage of scholarship opportunities, housing assignments and the best possible course schedules. Although you have until May 1, 2026 to submit the Direct Admit Form, we recommend submitting it as early as possible, ideally by November.

FAFSA

The **Free Application for Federal Student Aid (FAFSA)** is a free government form provided by the **U.S. Department of Education** that opens the door to billions of dollars in **federal, state, and college-specific financial aid**.
