

ATTENTION GBCS FAMILIES!

ParentVue Questions?

Grand Blanc Community Schools has moved grading, report cards, absences, and other functions to Synergy, the school information system available through the ParentVue and StudentVue Apps on mobile devices. If you have questions about accessing any of the information available through these apps, **you are invited to join us!**

GBCS Technology staff and Administrators will be available to answer any questions you have. If possible, prior to attending, download the app on your device, if you haven't already, by scanning the QR code to the right. Use the [instruction sheet](#) and [videos](#) to learn more at home!
