Recommended: RFP 2026-06 was issued for 4th-12th Grade Virtual Reality Equipment, Content, and Mobile Device Management (MDM). Six vendors submitted proposals and a committee reviewed and evaluated them based on the specifications outlined in the RFP. The chart on the bid tab summarizes how each proposal aligned to the specifications.
The district will use a qualitative method to survey educators on the effectiveness and usefulness of the product, the alignment of the content to state academic standards, and our ability to centrally control and manage virtual reality headsets from our MDM.

Vendor	Equipment Compliance	MDM Management & Security Compliance	Content & Standards Alignment	Professional Development & Support	Vendor Qualifications
