PRINCIPAL'S CORNER

Parent/Teacher Conferences & Book Fair October 6 & 8!

THE IMPORTANCE OF HOME & SCHOOL TEAMWORK

Neither parents nor teachers working alone can do everything to help students learn. But when parents and teachers are on the same team, children win every time. Here's how you can contribute to the partnership:

- Establish and enforce firm, fair & consistent rules. Respect for rules at home will translate to respect for learning.
- Support your school's policies for attendance, discipline, homework, etc.
- Come to every school event you can, including parent/teacher conferences.
- Don't talk disrespectfully about the school or the teacher. Make sure your child knows that the teacher is in charge in the classroom and requires respect.

KEEP IN MIND...

-If something "doesn't seem right," ***call the teacher.***

PICTURE RETAKES

Picture retakes are scheduled for **October 7**. If you would like to have your child's picture retaken, please return your child's portraits to the classroom teacher with a note indicating you would like to have them retaken.

NASONVILLE STUDENT DROP OFF 7:15-7:40

Helpful Hints

- Pull all the way up to the student drop off sign by the light pole to allow for 5-6 vehicles to unload at one time. This helps get vehicles off of Hwy 10 as fast as possible. Do not stop at the pillars if you are the first car in line.
- Have your child ready to go when you pull up to drop off.
- Have your child exit the vehicle on the side closest to the building so they do not have to walk around your vehicle.
- Recommended drop off time is after 7:20 to allow buses to exit in the AM.

IF YOU have to get out of the vehicle to assist your child(ren), OR if your child(ren) are not ready to exit the vehicle once you stop, PARK in the designated spots to the West of the flag pole. You can walk your child(ren) across the traffic to the entrance.

-PLEASE remember to be patient with one another.

PLEASE PLAN AHEAD!

The faculty and staff at Nasonville strive to protect instructional time for all students. Please plan ahead. Information regarding after school activities, rides, appointments, etc. should be discussed before students come to school in the morning. **Be sure your child knows their after school plan to avoid anxiety about the end of the day!**

FOOD ACCOUNT MONEY

Be sure to keep an eye on your child's food account in Skyward. If you need assistance with paying for school breakfast or lunch, feel free to fill out the Free & Reduced Application found on the district website.

All About Responsibility

Parents,

Hello! Here at school, we have been very busy learning about responsibility- what it means and how we can be responsible students and citizens! Learning happens best when it is done both at school and at home. Below are many ways that you can help your child continue to learn about the theme of responsibility through reading about it, talking about it, and practicing it! We have really enjoyed exploring this topic at school, and I hope your family will enjoy it just as much!

Read About It!

Here are some books to help you learn more about responsibility:

- I Just Forgot by Mercer Mayer
- But It's Not My Fault by Julia Cook
- The Paperboy by Dav Pilkey
- The Pigsty by Mark Teague

Practice It!

Help your child practice responsibility by giving him/her special jobs! Let your child pick a special chore each week that they can be responsible for. Let them carry the groceries, wipe the counters or feed the pet!

Talk About It!

Here are some discussion points to help you talk about responsibility with your child:

- What do you think responsibility means and why is it important?
- Tell me about a time when it was hard to be responsible.
- What is a way you would like to have more responsibility at home?
- What are your responsibilities in the classroom and in our community?
