

SafeArrival

With SafeArrival, families can report their child's absence using any of these three convenient methods. These options are available 24 hours a day, 7 days a week. Absences (full day, late arrivals, or early dismissals) may be scheduled in advance (exp. scheduled dr. appt.) or on the day of the absence.

Create an account using either the SchoolMessenger Website or Mobile App. Use the email address on file with the district when signing up.

Report student absences using one of 3 methods

Use a mobile device – if you have not already downloaded and installed the SchoolMessenger app go to the Apple App or Google Play stores.

Call the toll-free number; 1-888-292-9573 and report an absence using the automated phone system.

Go to <https://go.schoolmessenger.com> - Log in and report an absence using the menu at the top left of the screen.
