2024-25 Sources of Income

As a non-profit organization, Canterbury School relies on your donations each year. Our independent school business model fosters a culture of philanthropy. Thank you for your support!

2024-25 Expenses

The combination of annual tuition and donated funds supports the current year’s operational needs, including the outstanding faculty and staff who serve our students and families.

**Total Annual Philanthropy**

We are honored to recognize donors by their cumulative contributions to Canterbury School during the 2024-25 fiscal year. Total Annual Philanthropy represents collective gifts to the Canterbury Fund, Laughing Cavalier, Restricted Gifts, Tribute/Endowed Gifts, and Maximizing the Future Capital Campaign. Canterbury recognizes leadership donors as those contributing \$3,000+ in a given fiscal year. We are extremely grateful for the generosity and support of our Canterbury community.

## Canterbury Fund

We ask every member of the Canterbury community to support the Canterbury Fund with an annual contribution. These gifts are utilized during the current fiscal year to enrich the Canterbury experience by enhancing our programs, providing opportunities for our students to explore and engage with their passions, fostering a supportive learning environment, and investing in our faculty and staff professional development, so that we are maximizing every student's potential. Canterbury Fund contributions include gifts made on Giving Tuesday. We are very appreciative of every donor listed, including the 41 donors at the Leadership level and above who supported this fund so generously.

# **SGO:** Canterbury's scholarship granting organization, through Sagamore Institute, with IN tax credit opportunities.

% **110% Club:** Donors who have given to the Canterbury Fund with at least 10% more than the previous fiscal year.

◇ **Stalwarts** are those who have given in the 2024-25 fiscal year and the past consecutive 10 years or Alumni Stalwarts who have given since their graduation year.

Bequests and other planned gifts for the benefit of Canterbury School can provide for scholarships; bolster faculty salaries and enrichment; help with academic and capital improvements; or, be used for general operating purposes. In an effort to make this powerful form of giving more accessible to our community, Canterbury has partnered with FreeWill to offer an online will-writing tool that makes creating a bequest easy and free of cost. If you would like to join the many visionary donors in our 1977 Society, visit [FreeWill.com/Canterbury](https://FreeWill.com/Canterbury) to get started. If you have already made provisions to honor the school in this way, please let us know! We would welcome the opportunity to thank you today for the support you are providing Canterbury tomorrow by including you as a member in the school's planned giving recognition club, the 1977 Society (named for the founding year of the school.) **For further information, please contact Marcy Hawkins, Executive Director of Development at (260) 436-8786 or [mhawkins@canterburyschool.org](mailto:mhawkins@canterburyschool.org).
