Student Board Member

Emily Brown reported on the following:

Seniors participated in “senior sunrise” on the first day of school. Students enjoyed doughnuts, played football, took pictures. It was a great way to get the class together. The seniors asked for permission to be on Bracht Field before they did it.

Homecoming is coming up on Saturday, Oct. 10, 2026. Theme “A Night in Hollywood”.

Seniors had their parking spots approved.

The Volleyball team is doing very well. The team is 3-0.

Assistant Superintendent of Instruction

Jodie Docteur reported the following:

- There is still a Speech Therapist vacancy available on the 2nd level. Until that is filled, the district is using Parallel Learning on Tuesdays and Thursdays so that student who need the services receive them.
- A K-5 Benchmarking Committee was formed to track students’ progress.

Business Administrator

James Bruni reported on the following:

- Reviewed the NYS error regarding the 2026-2027 tax bills. The errors affecting property are agricultural.
- Two hundred-fifty property owners were underbilled \$7,700. The difference in underpayments is split up amongst the remaining (4569) property owners. NYS has recommended property owners pay their bills and corrections will be made next year.

Superintendent Report

Dr. Reed reported on the following:

- Reported a wonderful opening day. The guest speaker was well received. Every staff member received a copy of “The Science Behind It”.
- Thanked Campus Construction for the wonderful breakfast provided.
- Open houses are coming up for the Middle School and Mynderse Academy.

BOE President Report

Michael Mirras thanked the board members who came to opening day. It was good to have their presence for the staff returning.

Informed board members that Four County SBA gave all the members a coupon for a free dinner/program.

BOE Member Comments

Board members had a discussion regarding e-bike/scooters.

- E-Bikes/Scooters-a message went out on ParentSquare banning e-scooters on school property. This was done due to the recommendation of the district’s BOCES safety contact and the Seneca Falls PD. Many districts are banning e-bikes/scooters on district property. NYS allow 16 years or older, with a helmet, can operate an e-bike/scooter.

- Concerns:
Who's responsibility? Will police cite students or parents for violations?
Equity-students drive cars to school, why not e-bikes/scooters?
E-bike/scooters do not require a license or any training like driving a car.
- Dr. Reed will ask the Policy Committee to look into an e-bike/scooter policy. Dr. Reed will gather information from other districts regarding their policy on the topic.
