Cheektowaga-Sloan Community,

I am writing to share that the commemorative bricks from the old 2008 Community-Built Playground at TR, which has now been taken down, have been carefully removed and preserved. We wanted to be sure that any parent or community member who may have purchased a brick back in 2007-2008 has the opportunity to retrieve their special brick.

Community members who would like to retrieve their donated brick may do so at the following location and times:

Location:

TR Elementary School--back parking lot near the loading dock. Please pull around the back and wait for a district employee to greet and assist you in retrieving your brick.

Pickup Dates:

Wednesday, October 21, from 10:00 a.m. until 2:00 p.m.

Thursday, October 22, from 10:00 a.m. until 2:00 p.m.

Friday, October 23, from 10:00 a.m. until 2:00 p.m.

Please note that we were only able to preserve bricks that remained intact over the past 18 years. As a result, if you arrive and your brick is not there, please know that it was unfortunately damaged or vandalized and was unable to be preserved. We apologize if this is the situation for any individuals wishing to retrieve their donated bricks.

Thank you for your support of Theodore Roosevelt Elementary and for helping make the 2008 Community-Built Playground a special part of our school's history.

We hope that you are able to visit and enjoy our beautiful new modern playground in back of TR!

If you have any questions at all, please contact me directly at 716-891-6424. I am happy to assist any parent or community member.

Sincerely,

Mr. Jeff Mochrie
