

- At the conclusion of the screening process, we come together to analyze the data collected and decide Tiering Options for our students.
- If your student requires Tier 2 or Tier 3 support, you can expect an email from your child's teacher explaining the level of support they need and how often they will receive those services. You will then receive a letter home, as well.
- Students do NOT miss new instruction/content for interventions needed
- You will receive additional notice if your child is exiting or changing tiers throughout the year.
- If you have questions about your child's tiering, please contact your child's teacher.
