Mrs. Morris led the council in a discussion of our previous Strategic Plan and explained that in the Spring the district will lead us in a new planning process.

Discussion Item: Principal's Update:

We were 100% staffed at the start of the school year.

The district goes through a SEAT process and then adjusts based on actual enrollment.

We are pretty much sitting at par. Our enrollment is very close to our projections.

Backpacks: decision was based on safety and feedback from staff

Dress Code: We have tightened up our expectations to better align with the district's expectations
