STUDENT PROGRESS CENTER

LOGIN

Tangischools students and guardians will log into the Student Progress Center to check on grades, attendance records, schedules, test scores, and school announcements.

- Students will log in with their issued TPSS username and password.
- Parents/Guardians will need to register as a new user and connect their children to the account in order to see student records.

Directions for registering a new user and PSN # are sent to the guardian email on file at the beginning of the school year. If you need this information, please contact your school office.

REGISTER NEW USER

Guardians will first need to [register as a new user](#) to the program. Directions for registering your account have been sent to the Parent/Guardian email that is on file with the school. Your PSN number needed to create the account is provided in the email.

If you do not receive the email, please contact your child's school. The school secretary can update your email address and supply you with directions for creating your account.

UPDATE CONTACT INFORMATION

Occasionally, the district will need to send out updates and notifications to families regarding school closures, weather notifications, and other important emergency updates.

That's why parents/guardians should make sure the following information is correct at their child's school:

- current cell phone number
- home phone number
- email address

Parent/guardians may update their personal information in their Student Progress Center Account, or they may contact their child's school and update the information with the school secretary.
