Mission Statement

The mission of Amite High Magnet School is to inspire students and provide them the necessary tools to become college and career ready.

Our overall school goals include: increasing student achievement for all students as measured by the LEAP assessment and district beginning and end-of-year assessments in ELA, math, science, and social studies; decreasing the percentage of chronically absent students; decreasing the percentage of students who receive 1 or more out of school suspensions.

Welcome Warrior Families!

Here at *Amite High Magnet School*, our students are just as capable as any students across the US.

Every day, we are **committed** to ensuring that our students have the opportunity to grow and thrive so they can reach their potential.

To do this, we need a plan in place to ensure every teacher is prepared to provide every student what they need to be successful.
