

Student Responsibilities

At school, I will:

- Arrive by 7:20 a.m. in dress code, prepared and ready to learn each day.
- Bring completed homework and needed supplies.
- Give my best effort in my work and behavior.
- Read independently or listen to reading every day.
- Follow school and bus rules, and respect staff, volunteers, and peers.
- Use technology responsibly at school and at home.
- Show kindness and be a good friend.
- Respect school property, clean up, and take responsibility for my actions.
- Report bullying, inappropriate behavior, or injuries to a trusted adult.
- Recognize and celebrate everyone's cultural diversity.

Communication About Learning

Shadowbriar supports frequent two-way communication about student learning through ParentSquare, email, phone calls, progress reports, the school website, and parent conferences.

Teacher Responsibilities

In the classroom, I will:

- Arrive on time, prepared and ready to teach.
- Believe each student can learn and address individual needs.
- Coordinate with teachers and staff to support each child.
- Model professional behavior and provide a safe, productive learning environment.
- Include families in educational decisions and offer flexible conference scheduling.
- Apply school, district, and classroom rules fairly.
- Send frequent progress reports and maintain open communication.
- Provide meaningful homework and monitor completion.
- Respect and celebrate cultural diversity.

Parent and Guardian Responsibilities

- Ensure my child arrives by 7:20 a.m., in dress code and ready to learn.
- Ensure personal communication devices are not brought to school or used during instruction.
- Monitor my child's health and seek medical support when needed.
- Encourage learning, review homework, and read with or listen to my child each night.
- Communicate regularly with the teacher and interact respectfully with school staff.
- Review progress reports and return them signed.
- Participate in conferences, workshops, Open House, PTO, and other school activities.

Goals for Student Achievement

School and family goals support high-quality instruction, student growth, and shared responsibility for learning.

- Increase family participation in children's education.
- Maintain clear communication between school and home.
- Provide families with learning strategies and support.
- Use assessment results to identify needs for reteaching, intervention, and enrichment.
- Support a safe campus by following visitor procedures and PAWS expectations.

Student Learning Goals

- Read every day and strengthen reading and writing skills.
- Track growth across beginning, middle, and end-of-year assessments.
- Use assigned learning resources, including Zearn and IXL, to practice targeted skills.

My learning goal this year is:

To achieve this goal, I need:

About the School Parent Compact

A School Parent Compact is an agreement developed by parents, students, and teachers. It explains how school and home work together to help students reach or exceed grade-level standards through high-quality curriculum and instruction.

Developed with Families

Families, students, and staff review student learning needs and contribute ideas for the compact. Teachers share home learning strategies, parents offer ideas, and students identify ways to support their goals. Families are welcome to share comments throughout the year.

Get Involved

To volunteer or participate in school activities, contact the school office at 281-368-2160. Complete the HISD VIPS application and approval process before volunteering.

Activities to Build Partnerships

- Meet the Teacher: August 6, 2026.
- Open House: September 24, 2026.
- Title I meetings: September 24, 2026, 7:00–7:30 a.m. and 3:30–4:00 p.m.
- Parent and teacher conferences.
- Family learning workshops and school events.
- PTO and approved volunteer opportunities.

Additional dates, times, and locations will be shared through ParentSquare and campus communications.

Our STEAM Focus

Shadowbriar empowers student leadership through an education focused on Science, Technology, Engineering, Art, and Mathematics, supporting the whole child in achieving excellence.
