Announcing Homecoming Parade Grand Marshalls & Huskies Biggest Fans!

As we gear up for a fun week of celebrating Emmett, we are excited to announce this year's **Homecoming Parade Grand Marshalls** and **Huskies Biggest Fans**!

2026 Grand Marshalls

 Larry & Anne Parks

Huskies Biggest Fans

 Jeff Garringer

 Nicole Perry

Anyone who knows these amazing individuals knows just how well-deserved these honors are! We are so excited to recognize them as part of this year's Homecoming celebration.  

Homecoming Parade

2026 Homecoming Parade

 Friday, September 25

 12:00 PM

*** Please note: The parade direction will be reversed this year, due to the Harvest Festival! The route will visit the middle school first, followed by the city park. Please check out the parade route below!

All students will be transported to and from the parade. While parents are welcome to join us watching the parade, all students will be transported back to school. There will be no student check-out at the park.

School Schedules - Friday Early Release!

All Emmett School District schools will have an early release on Homecoming Friday, September 25. Here's what families need to know:

🏠 ELEMENTARY SCHOOLS — Release at 1:10 PM

All elementary students will attend the **Homecoming Parade at Emmett City Park**. **Butte View Elementary** students will walk to the park. Students from all other elementary schools will be transported by bus.

Families are welcome to meet their students at the park and enjoy the parade with our schools!

Important: Students may NOT be checked out at the park following the parade. All elementary students must return to their schools before dismissal. This helps us keep students safe and accounted for and allows them to collect their belongings before heading home.

Once students return to their schools, **all elementary schools will dismiss at 1:10 PM.**

🐾 EMMETT MIDDLE SCHOOL — Release at 1:25 PM

Emmett Middle School students will attend the parade and then return to EMS for the remainder of the school day. **EMS students will be released at 1:20 PM.**

🎓 EMMETT HIGH SCHOOL

High school students **do not need to return to school following the Homecoming Parade.**

🚌 Bus Transportation

Buses will transport students home as usual following early release. Families can use the BusRight app to monitor their student's trip home from school.

We appreciate your patience and cooperation as we navigate all the excitement of Homecoming Friday and the logistics of an early release day! 💙 🐾

Reminder! Review Your Media Release Preferences!

We love celebrating our students and sharing the great things happening in our schools!

Throughout the school year, student names, photos, videos, participation in activities, and achievements may be shared through district and school publications, websites, social media, yearbooks, and occasionally local news media.

Examples include classroom activities, performances, athletic competitions, awards, spirit days, and other school events. We do not share students' personal information—only positive recognition and school-related activities.

Please remember that these publications may be publicly accessible, including on social media, in print materials, and through local news outlets.

Why are we asking families to review this?

Emmett School District's media policy is a default opt-in policy, meaning **no action is required unless you do not want your student included.**

This year, we are updating our records because many existing media preferences were submitted years ago using previous forms that do not match policy. To ensure every family's preferences are accurately documented, we are replacing all previous media opt-out forms with our current form.

What do you need to do?

If you are fine with your student being included in yearbook and media recognition, no action is required.

If you **DO NOT want your student included:**

Please complete a new Media Opt-Out Form by **September 30, 2026.**

The opt-out form applies to your student's name, photo, video, participation in school activities or athletics, achievements, and inclusion in the school yearbook, as outlined in the form. Please note: the form provides options if you would like your child to be included in yearbook **ONLY**.

Forms may be:

Downloaded, printed, and returned to your student's school

Picked up and completed at any school
Emailed to info@isd221.net

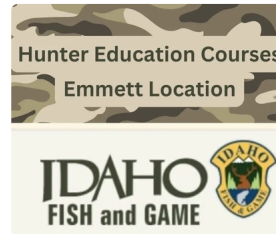

The Media Opt-Out Form is attached as links within this post. If a new media opt-out form is not received by September 30, 2-27, your student will remain **opted in** according to the district's existing media policy This is **not** a change in district policy- only an update to ensure all families have a current form on file that is aligned with district policy

Huskies Off-Leash at Emmett Middle School!

Huskies Off Leash is a new monthly opportunity provided through GEAR UP and 21st Century grant funding. It combines optional Friday school with fun, educational experiences—including field trips, special activities, and guests!

Last week, Huskies Off Leash invited the entire community to **Corbin Maxey Live!** Families learned about some amazing animals and experienced up-close animal encounters.

Great things are happening at Emmett Middle School!

Stay tuned for more amazing activities and opportunities for students, families, and the whole community at Emmett Middle School! 💙 🐾

Domes Update: Feedback & Involvement!

Following the presentation of the full analysis of the EHS domes, Emmett School District hosted a **Community Forum on September 8**. Community members were invited to participate in the discussion, ask questions, and share their ideas and feedback about the future of the domes.

At the **September 10 School Board meeting**, the Board voted to create a **Community Outreach Committee**. This committee will help gather additional community feedback, explore potential solutions, and engage with patrons to be part of the conversation as the district works on a path forward.

Stay Informed

All information related to the EHS domes is available on the district website, including:

- The full domes analysis
- Links to presentations and meetings
- Updates and upcoming opportunities for community involvement
