

# RESILIENT

# INTENTIONAL

# CRITICAL THINKER

# EFFECTIVE COMMUNICATOR

## Middle School Goals

- **Exploring Pathways:** 8th graders are jump-starting their future by enrolling in Career Technical Education (CTE) programs.
- **Challenging Minds:** 7th- and 8th-graders are stepping up and enrolling in advanced learning opportunities and/or honors coursework to support their educational goals.
- **Leaping Ahead:** 8th graders are earning high school credits early by tackling Spanish 1 and/or Math 1
- **Strong Connections:** 7th- and 8th-graders can confidently identify a trusted adult on campus who supports them.

- **Mapping the Future:** Every 7th- and 8th-grader is identifying their personal postsecondary plan.
- **Exploring Pathways:** 8th graders are jump-starting their future by enrolling in Career Technical Education (CTE) programs.
- **Challenging Minds:** 7th- and 8th-graders are stepping up and enrolling in advanced learning opportunities and/or honors coursework to support their educational goals.
- **Leaping Ahead:** 8th graders are earning high school credits early by tackling Spanish 1 and/or Math 1.

- **Mapping the Future:** Every 7th- and 8th-grader is identifying their personal postsecondary plan and engaging in career exploration.
- **Exploring Pathways:** Students actively reach out to their school counselors and schedule meetings to make informed decisions.

- **Using Your Voice:** Students actively advocate for their needs by reaching out to their school counselors and scheduling meetings.
- **Strong Connections:** 7th- and 8th-graders can confidently identify a trusted adult on campus who supports them.

## VUSD College & Career Readiness FUTURE READY STUDENT CHECKLIST

## High School Goals

- **Staying the Course:** Students show resilience by tracking their A-G progress in Fall and Spring and adjusting their strategies to stay on the path to graduation.
- **College Ready:** Graduating seniors successfully complete all A-G requirements, opening doors to four-year universities.
- **Finishing Strong:** Seniors are crossing the finish line, graduating meeting California College and Career Indicators.

- **Securing the Future:** Every senior completes their Financial Aid Applications (FAFSA/CADAA) to unlock future opportunities.
- **Expanding Horizons:** Students submit applications to colleges, vocational schools, trade schools, or the military to launch their next chapter.
- **Charting the Course:** Students design, own, and update their personalized 4-year academic and career plans annually.
- **Challenging Minds:** Students are stepping up and enrolling in advanced and honors coursework.
- **Finishing Strong:** Seniors are crossing the finish line, completing their CTE pathways.

- **Aiming Higher:** Students push their boundaries by enrolling in rigorous Advanced Placement (AP), Honors, and Dual Enrollment college courses.
- **A-G Excellence:** Students stay on track year-round to meet university admission requirements.
- **College Ready:** Graduating seniors successfully complete all A-G requirements, opening doors to

- **Self-Advocacy in Action:** Students take ownership of their well-being and academic success by meeting counselors.
