District Goals 2024-2025

- 1) **FINANCE AND FACILITIES** - Develop and implement a fiscally thorough and efficient budget process that allows the district to identify the financial resources required to effectively support its goals and initiatives in order to maintain high-quality facilities that support student achievement to support our comprehensive instructional, co-curricular, and athletic programs. This includes addressing repairs across the district to provide a conducive learning and working environment for students and for staff.
- 2) **Development of the W.O.W (West Orange Way) Committee** - Continue to advance the district's efforts in diversity, equity, and inclusion by building upon the current needs assessment and implementing next steps. This includes utilizing building-based committees to identify and address biases impacting our approach to inclusivity, instructional programming, and student outcomes, thereby fostering a culturally responsive environment throughout the district.
- 3) **Student Achievement** - Enhance student achievement by delivering rigorous and high-quality instructional programs with a focus on English Language Arts and Math, ensuring effective curriculum adoption and implementation with fidelity, supported by a comprehensive multi-tiered system of support and extensive professional learning opportunities for staff.
