Table Group Discussion

1. **Review the Performance Objective(s)** that support the goal. (pink text)
2. **Review the Strategies** listed under each objective. (blue text)
 - a. Record **Highlights** — strengths, important priorities, or items that should remain.
 - b. Record **Concerns** — anything unclear, repetitive, too broad, unrealistic, missing, or assigned to the wrong role.
 - c. Record **Questions** — anything that needs clarification before the plan is finalized.
3. **As you review, consider:**
 - Is this the right work?
 - Is anything missing?
 - Is anything unnecessary?
 - Can we measure it?
 - Is the right person or department responsible?
4. **As a table group, select one thing to share with the collective group.**
