Golden Sneaker Trophy!

Schools will compete to see which school will have the highest percentage of students walking or rolling to school on Walk/Roll to School Day!

The winning school will be presented with the Golden Sneaker trophy for display at their school during this school year.

Safe Routes to School is a nationwide program, funded in New Jersey through the NJ Department of Transportation, and facilitated locally by goHunterdon.

The goals of the program are simple:
"Where it is safe, get more kids walking and bicycling to school;
where it is not safe, make it safe."
