Principal's Corner

Dear Butte View Families,

What a wonderful beginning we have had to the 2026–2027 school year! Our classrooms and hallways are once again filled with laughter, curiosity, and the joyful energy of children learning. With our “Blast Into Learning” theme, our students are already reaching for the stars.

Thank you for your patience and flexibility as we have settled into new routines, welcomed additional students, and adjusted our arrival and dismissal procedures. Safety remains our highest priority, and your cooperation helps us ensure that every child arrives and leaves school safely. As routines become more familiar, these transitions will continue to grow smoother.

This year, our teachers are emphasizing meaningful, hands-on learning. Students are beginning to explore our new Bridges math curriculum, which encourages them to build a strong understanding of mathematical concepts through discussion, problem-solving, and hands-on activities. We are also continuing our work to reduce unnecessary screen time and create more opportunities for students to read, write, collaborate, create, and think deeply.

September is also a wonderful time to strengthen good habits. Regular attendance, arriving on time, reading

together at home, and establishing consistent bedtime routines all make a meaningful difference in a child's success.

We have an exciting Homecoming Week ahead:

- Monday, September 21 — Pajama Day
- Tuesday, September 22 — Dress to Impress and Picture Day
- Wednesday, September 23 — Wacky Wednesday
- Thursday, September 24 — Beach Day
- Friday, September 25 — School Spirit Day and 1:00 p.m. early release

Thank you for trusting us with your children and for being such an important part of the Butte View community. We are proud of the strong start our Huskies have made and look forward to a September filled with learning, connection, and school spirit.

Together, we are building a school where every student feels safe, supported, and ready to soar.

Dr. Brendalynn Love
Principal

Quick Notes From the Front Office

Please make sure that your child checks in at the main office if they are late to school.

As a reminder, **all Transportation changes need to be called into the main office no later than 2:00 pm.** This ensures that staff has time to get the changes to the classrooms.

Thank you for your assistance!

--Ms. Stephanie

- Parents do not have to leave work or take time off of work to take children to their appointment.
- Children do not have to miss sport's practices or after school recreation.
- Children are often tired after school which can affect their ability to do well in counseling.

Visitors to the Building

We ask that parents no longer accompany their child to the classrooms. If your student needs any assistance, staff is present in the main hallway near the cafeteria.

We also ask that any visitors to the building check in at the front office through the SafeSchools kiosk. All visitors are required to complete a security check before entering the building. Visitors will scan their ID (driver's license or other valid photo ID), and the system will print a visitor badge to be worn while in the school.

Student Pick-Up/Drop-Off

Parent Pick-Up/Drop-Off is at the front of the school, and the Bus Lane is at the back of the school. (Please see the updated map below.)

As we return to front parent pickup, we ask families to please drive slowly, remain alert, and follow staff directions. We will also be closely monitoring student movement in this area to ensure students are safely released and do not enter the parking lot unattended.

Also, we need to keep our handicap parking available to those that have the proper permit. Please do not park in the handicap parking space without a permit. Citations may be issued if you are parked in a handicap space without a permit.

Please Keep Toys at Home

Please make sure your student is not bringing toys/trading cards/etc. to school. Those items may be confiscated if they are causing disruptions to the classroom.
