Quick Notes From the Front Office

Please make sure that your child checks in at the main office if they are late to school.

As a reminder, **all Transportation changes need to be called into the main office no later than 2:00 pm.**

This ensures that staff has time to get the changes to the classrooms.

If you know your child will be leaving early, absent, etc. please call the main office so that we can update your child's attendance and let the teacher know.

Also, if your child is absent due to a doctor/dentist/counseling appointment, please bring in a doctor note so the absence can be excused.

We already have a few items that have been turned in to the Lost and Found. Please have your child check if they are missing anything. The Lost and Found is located in the main hallway next to the fish tank (across the hall from the main office).

Thank you for your assistance!
--Ms. Stephanie

Counseling at School

Hale Counseling has partnered with Butte View Elementary to offer counseling services at school. Please click on the flyers below for more information on Counseling at School and how to sign up.

A huge thank you to St. Mary's Church and JustServe
for your generous donation of school supplies!
Your support of our school is greatly appreciated!

Visitors to the Building

We ask that parents no longer accompany their child to the classrooms. If your student needs any assistance, staff is present in the main hallway near the cafeteria.

We also ask that any visitors to the building check in at the front office through the SafeSchools kiosk. All visitors are required to complete a security check before entering the building. Visitors will scan their ID (driver's license or other valid photo ID), and the system will print a visitor badge to be worn while in the school.

This requirement will be enforced this year. Visitors will not be permitted to enter the building without completing the School Safe security check.

We appreciate your help in following these procedures and supporting our efforts to keep our schools safe and secure for students and staff!

Student Pick-Up/Drop-Off

Parent Pick-Up/Drop-Off is at the front of the school, and the Bus Lane is at the back of the school. (Please see the updated map below.)

As we return to front parent pickup, we ask families to please drive slowly, remain alert, and follow staff directions. We will also be closely monitoring student movement in this area to ensure students are safely released and do not enter the parking lot unattended.

Also, we need to keep our handicap parking available to those that have the proper permit. Please do not park in the handicap parking space without a permit. Citations may be issued if you are parked in a handicap space without a permit.
