Kindergarten Orientation

Kindergarten is a new experience so we provide a family orientation for students and their parents on the first day of school. **Please attend this orientation with your child.**

The following day Tuesday, August 18th will be a regular school day for your child. If your child is apprehensive or timid about coming to Kindergarten, the family orientation is designed for a smaller group of children and their parents to get acquainted with the teacher and the school. The date and time for you and your child to attend is listed below.

Session 1 arrive at 9:00 a.m.- Students with last name starting with A-J

Session 2 arrive at 1:00 p.m.- Students with last names starting with K-Z

Please bring your child's school supplies in a plastic bag labeled with the child's name. There will be some emergency forms to fill out, so please bring telephone numbers of people you will want us to call if we can't reach you.

If your child will be riding a bus for the first time and you have not completed the 2026/2027 Bus Registration, please visit the Emmett Transportation Department website at <https://www.emmettschools.org/departments/transportation>.

If you have completed the 2026/2027 Bus Registration, route information including pick-up and drop-off times are available through the BusRight Parent App.

Quick Notes From the Front Office

Just a friendly reminder that Butte View's main office is now located at the main entrance of the building. The previous Butte View entrance is now the entrance for the District's Special Services Department. To find the main office, enter the main doors and turn right!

As we move into the school year, there will inevitably be absences and changes to your child's pickup schedule.

Please make sure all Transportation changes have been called into the main office no later than 2:00 pm. This will ensure that staff has time to get the changes to the classrooms.

If you know your child will be leaving early, absent, etc. please call the main office so that we can update your child's attendance and let the teacher know. Also, if your child is absent due to a doctor/dentist/counseling appointment, please bring in a doctor note so that we can excuse the absence.

Thank you for your assistance!

Meet Our School Counselor!

Greetings, Parents!

I am very excited about this upcoming year! This will be the first year that I will be the full-time counselor for Butte View, Sweet, and Ola Elementary school. This means that I can focus my full attention on taking care of the needs of all the Pre-K through 5th graders. The areas I want to focus on are: trustworthiness, respect, responsibility, fairness, caring, and citizenship. These will all be grade appropriate lessons that I will work on throughout the year.

Additionally, I will have a monthly "Meade's Memos" section in the first newsletter of each month with comments and suggestions. They are not intended to tell anyone how to parent their children, but just to pass along information that can be beneficial in that endeavor. I want to be available and transparent as possible, so please feel free to email me with any questions or concerns.

I look forward to serving you and your kids!

Nurse's Office Check-In

As the school year begins, there are a few reminders for parents to ensure a safe and healthy school year!

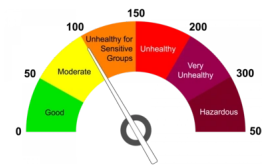

All medications, prescription or over-the-counter, need to be registered at the front office. Parents will be asked to fill out a Medication Authorization form to accompany their child's medication.

Immunizations will be reviewed to ensure they are up to date. If there are any changes, please let the front office know.

If there are any changes to your child's health history or medical conditions, please let the front office know.

Air Quality Information

With the persistent wildfire smoke in the air, it is understandable that there are concerns regarding the students being outside for recess and other activities. The District does have an Air Quality and Heat Safety Procedure in place.

Butte View Elementary does have an Air Quality Monitor on site, and the current information is listed at the bottom of the Butte View Elementary webpage. We will utilize the current Air Quality Index provided to decide whether and activity may begin or continue.

Please click on the above graphic of the Air Quality Index to link to the District Policy.

Parent Pick-Up/Drop-Off Lane Changes

There are new changes to the locations of the Parent Pick-Up/Drop-Off Lane. Parents will be directed to the back of the school to pick-up or drop-off their students in the area that used to be the Bus Lane. The entrance to the new area can be accessed off 4th St.

**Rotary Club
of Emmett**

Thank You Rotary Club of Emmett!

A huge thank you to the Rotary Club of Emmett for providing tissues for all classrooms!

In addition, they will be providing dictionaries for all our 3rd graders.
