Your Seasonal Champions Update

Here's what we've been up to at
Dudley/Charlton RSD

The Back to School season was full of challenges, curiosity, and action-packed moments of adventure for Dudley/Charlton students at Champions! Our big thinkers and bold inventors hopped from questions to discovery (sometimes on one foot!) and our rockstar teachers made it fun from start to finish.

Spotlighting Teachers

NEW SITE DIRECTOR: Welcome, Jaylee Surprenant! Jaylee joined the Champions team in 2024 and was a Lead Teacher over at Heritage Champions. This year, Ms Jaylee has been promoted to Site Director at Charlton Elementary and we're so thrilled to have her on board! Outside of work, Jaylee likes to spend time with her husband and dog outside by a fire.

NEW SITE DIRECTOR: Welcome, Natalie Haas! Natalie joined Champions at Mason Road last year and has been working there ever since. Natalie also works at the preschool in MRS during the day. She loves all things Disney and her goal every day is to make our program a warm, whimsical, and positive place
