Title 1 Parent/School Compact

Dear Families,

This year, as in past years, Carpenter Elementary is designated as one of two Title I buildings in Lake Orion Community Schools. This means that we are provided with additional federal funds to provide academic support to our students. As part of the Title I process, we are required to establish a formal partnership between the school and home. One of the ways we do this is through the Parent/School Compact (*on reverse side*).

Please read this compact with your Carpenter student(s), sign, and return to their classroom teacher. This Parent/School Compact reminds all of us that educating our children is the responsibility of a team of people dedicated to the belief that all children have the right to an exceptional education.

Thank you,

Erin Schmuhl
