

Secondary Flexible Learning/Data Days 2026-2027 Information for Families

What is a Flexible Learning/Data Day?

Columbia Heights Public Schools (CHPS) will hold three Flexible Learning/Data Days during the 2026–2027 school year, on October 8, 2026, February 5, 2027.

On these days, CHPS staff work with students in the morning and spend the afternoon engaging in Data Workshops. The purpose of the Data Workshop is to provide time for teachers to review student data in order to monitor progress and adjust instruction as needed to best meet student needs.

Students will learn from home through a combination of live Zoom sessions with teachers, completing work on Schoology, and/or asynchronous work.

Preparing for a Flexible Learning/Data Day

Students should bring home their school-assigned device and charger to join Zoom sessions and complete work on Schoology. Zoom links and assignments will be posted to classroom Schoology pages.

What Does a Flexible Learning/Data Day Look Like?

Teachers connect live with students on Zoom and take attendance:

- 7:45–9:00 Prep
- 9:00–9:20: 1st Hour
- 9:20–9:40: 2nd Hour
- 9:40–10:00: 3rd Hour
- 10:00–10:20: 4th Hour
- 10:20–10:40: 5th Hour
- 10:40–11:00 6th Hour
- 11:00–11:45 Lunch
- 11:45–3:30 Students complete assigned work

Teachers will post Zoom links, daily assignments and resources to Schoology. Attendance online is required on Flexible Learning/Data Days. In order to be counted as “present” for a Flexible Learning/Data Day, students must join the live Zoom sessions each block.

What if My Student or I Have Questions?

- Students can reach their teacher via Schoology messaging, email, or phone.
- For assistance with technology, call (763) 528-4595.
- Families can contact the school using the contact info below:
