Bilingual Program Information

FBISD Bilingual Program Philosophy

The FBISD Bilingual Program aims to maximize the power of languages to equip students for a multicultural world by developing linguistically competent and culturally proficient global citizens through robust academic learning experiences.

Two-Way Dual Language Spanish-English Program

- A program where English-speaking and Spanish-speaking students learn together in both languages, with the goal of becoming bilingual, biliterate, and globally aware.
- Learn to listen, speak, read, and write in Spanish and English.
- Program Goals: Bilingualism and Biliteracy (full proficiency in Spanish and English), High Academic Achievement, and Global Awareness.
- Program Design: Provides ongoing literacy and academic instruction in both Spanish and English with at least half of the instruction delivered in the partner language (Spanish) for the duration of the program.

Two-Way Dual Language (TWDL) Program Eligibility Requirements

To be eligible for the Two-Way Dual Language (TWDL) program:

- The child and parent/legal guardian must reside within FBISD boundaries.
- The TWDL program accepts new students only at the Kindergarten level.
- A completed TWDL program application must be submitted during the designated application window.

Note: Proof of residency will be required as part of the application process.
