Parent and Family Engagement Plan

What is Title I?

Campbell Elementary is identified as a Title I school as part of Every Student Succeeds Act (ESSA). Title I is designed to support State and local school reform efforts tied to the challenging State academic standards to improve teaching and learning for students. The Title I program must be based on effective means of improving student achievement and include strategies to support family engagement. All Title I schools must jointly develop with parents and family members a written Parent and Family Engagement Plan (PFEP).

What is it?

The plan describes how Campbell Elementary will provide opportunities to improve family engagement to support student learning. We value the contributions and involvement of parents and family members to establish an equal partnership for the common goal of improving student achievement. This plan describes the diverse ways that Campbell Elementary will support family engagement and how parents can participate in the planning of activities and events to promote student learning at school and at home.

How is it revised?

Parents of Campbell Elementary are invited to attend Input Meetings, held annually in the spring, to review and revise this Parent and Family Engagement Plan, as well as the schoolwide plan, our School-Family Compact, and the family engagement budget. Additionally, parent input and comments regarding this plan are welcome during the school year through an online platform. Parents can access this plan on our school's website to view and give feedback throughout the year. All parent feedback received during the year will be used to revise the plan for the next school year. An annual survey is also being conducted to ask for parents' suggestions on the plan and how to use funds for family engagement support.

Who is it for?

All students participating in the Title I, Part A program, and their families are encouraged and invited to fully participate in the opportunities described in this plan. Campbell Elementary will provide full opportunity for the participation of parents and family members with limited English, with disabilities, and of migratory children.

Where is it available?

Parents can retrieve a copy of the plan on the school's website, parent newsletter, email, or Parent Resource Center.
