

SOUTHLANDS
CHRISTIAN SCHOOLS

Annual Jogathon Fundraiser Event

Dear Southlands Community & Supporters,

There is something special about what happens when the Southlands community comes together around our students. This year's Jogathon gives us another opportunity to do exactly that—and we are excited about what we can accomplish together!

Our 2026 Jogathon campaign officially kicks off October 7, beginning a month of students, families, faculty, friends, and community partners working together toward a shared goal. It all leads up to Jogathon Day on November 7, when our students will take to the track and celebrate what we have accomplished together. This year, we are raising funds to transform spaces across our campus into places where students can connect and grow.

Our vision includes transforming our MPR into a flexible learning and event space that better supports performing arts, student programs, gatherings, and special events. We also want to create new outdoor activity and community spaces where students can step away from their devices, spend time together, learn outdoors, and enjoy being part of the Southlands community. Finally, we envision an outdoor reading and exploration area designed to encourage curiosity and exploration.

These are more than campus improvements. They are investments in the kind of school community we want to build for our students—a place filled with opportunities to learn, belong, and develop.

Our families are already getting excited about this year's Jogathon, and we invite you to be part of it. Every lap run, every gift given, and every sponsor who partners with us moves us closer to making this vision a reality. Thank you for believing in Southlands Christian Schools and investing in our students. We are grateful for your partnership and excited to see what we can accomplish together.

Let's run toward something great!

Partnering together,

Brandon Shultz
President & CEO
