

Science Olympiad, Grade 6 and 8

We will be providing study materials for anyone who is interested in being part of our Oak Grove **Division B Team** (Grade 6 and Grade 8 students).

The Informational meeting will be held
In Room 106 on **Thursday, Oct 8th @ 2:45 pm.**

Study materials will be available in the school's front office if your students missed the informational meeting. The official test will be held the following week in **Room 106 on Thursday, Oct. 15th @ 2:45 pm.** We ask you to please encourage and invite students who are enthusiastic about STEM. Six events were updated this year; an event with an asterisk * are new. Here are all 23 events we will be working on:

- Anatomy & Physiology
- Botany *
- Boomilever
- Circuit Lab
- Codebusters
- Crime Busters
- Disease Detectives
- Dynamic Planet
- Elastic Launched Gliders *
- Experimental Design
- Food Science *
- Heredity
- Hovercraft
- Meteorology
- Pin-Pong Parachute *
- Remote Sensing
- Rocks and Minerals
- Roller Coaster *
- Scrambler
- Solar System
