Dear Wall Township Public Schools Community,

Earlier today, Allenwood Elementary School received a concerning phone call. Out of an abundance of caution, the school was placed in lockdown while the Wall Township Police Department responded and assessed the situation. Once law enforcement confirmed that the school was safe, the lockdown was lifted, and student dismissal began. We are thankful to share that all students and staff at Allenwood Elementary School are safe.

We are grateful to the Wall Township Police Department for their prompt response and continued partnership in keeping our schools safe. We are equally appreciative of our Allenwood staff and students, who remained calm and followed established safety procedures throughout the situation.

We are aware that neighboring communities experienced similar incidents today, and we recognize that situations like this can understandably be concerning for students and families. Please know that the safety and well-being of our students and staff remain our highest priority. Our school counselors are available to provide care and reassurance to any student who may need it following today's events.

Thank you for your patience, understanding, and continued support of Allenwood Elementary School and the entire Wall Township Public Schools community.

Sincerely,
Dr. David Bleakley
Superintendent of Schools
