ADDITIONAL EDUCATIONAL OPPORTUNITIES

Additional education opportunities are offered through Mt. Spokane's AP course offerings, College in the High School, the Running Start program, and NewTech Skills Center.

- Mt. Spokane currently offers 15 Advanced Placement Courses
- Mt. Spokane currently offers 43 College in the High School Courses
- Running Start is a Washington State program that allows high school students to enroll in college classes to earn both high school and college credit.
- NewTech Skills Center provides specialized professional and technical training programs to supplement core curriculum at the high school.

To learn more about these programs, please access the Mt. Spokane Course Guide [here](#).

GRADING

Letter grades are assigned on a 4.0 system, and there are no '+' or '-' grades included on the transcript or in the GPA. All credited classes are included in the unweighted GPA, and students are ranked using an exact GPA ranking.
