

## Is Your Child Meeting Developmental Milestones? Evaluations Available through Child Find

Fort Worth ISD is committed to identifying and supporting children ages **3 to 21** who may have developmental delays or disabilities—even if they are **not currently enrolled** in our schools.

### What is Child Find?

Child Find is a federally mandated program that helps locate, identify, and evaluate children who may have a disability that requires special education services. May show signs of delays in:

- Speech or language
- Learning or behavior
- Motor skills
- Social or emotional development
- Vision
- Hearing

### What Does the Evaluation Involve?

- A free, comprehensive evaluation by a team of professionals
- Helps determine if your child has a disability that qualifies for special education services

### Student Currently Attending a FWISD School?

Please contact your child's school directly to inquire about the evaluation process.

## Not Enrolled? No Problem!

We offer evaluations for children who:

- Are ages 3 to 21
- Live within FWISD boundaries
- Are not currently enrolled in public school
- Attend private school or are homeschooled within FWISD boundaries

**If your child meets the criteria above, complete the Parent In-Take Form:**
