Explanation:
(required if NOT met)

The District is a community-funded, Basic Aid school district. The increase of local property taxes drives the increase of the LCFF revenues.

Provide reasons why the projection(s) exceed the standard, a description of the methods and assumptions used in projecting salaries and benefits, and what changes, if any, will be made to bring the projected salary and benefit costs within the standard.

Explanation:
(required if NOT met)

The 2026-27 budget was made with zero compensation increase because the District's negotiations with its unions are not settled yet. The upcoming settlements will bring the ratio back in range. The District is also reducing 2.0 Certificated FTEs and 1.46 Classified FTEs.

Compare the increase in new commitments to the projected increase in ongoing revenues, and explain how these commitments will be funded in future fiscal years.

If salary and benefit negotiations are not finalized at budget adoption, upon settlement with certificated or classified staff:

The school district must determine the cost of the settlement, including salaries, benefits, and any other agreements that change costs, and provide the county office of education (COE) with an analysis of the cost of the settlement and its impact on the operating budget.

The county superintendent shall review the analysis relative to the criteria and standards, and may provide written comments to the president of the district governing board and superintendent.
