

WHAT IS JOGATHON?

Jogathon is Southlands' annual all-school fundraiser and community event and this year, High School is getting in on the action! HS students will take an active role in fundraising by reaching out to family, friends, and the community to help support campus improvements that directly benefit our students. Families are encouraged to help spread the word and join us on Jogathon Day for a fun day of fellowship, school spirit, and celebration. This year, we're Running It Back to the '90s!
