

AISD SHAC MEETING MINUTES

May 5, 2026

Stephanie Hersey- Parent
Lori Nunez- AISD Administrator
Dakota Massey- Parent
Paula Hearon- Parent

Vanessa Guerrero-DSHS
Ashton Martinez- Parent
Taylor Childress - Phys Ed
Abigail Trevino -AISD CN

Welcome and Introduction: Abigail welcomed everyone at 1:30 pm. Not many in attendance, so we will jump right into it.

Counseling, Psychological & Social Services

REACH Johnson Co was not in attendance; there is no update from them.

Abigail Trevino introduced Ashton Martinez from CASA Johnson Co. Casa services children in foster care for Johnson County. Looking forward to partnering with AISD SHAC for back to school bash. They don't have any events coming up this summer but would love to be a part of anything AISD is hosting or organizing.

Nutritional Services: Abigail goes over the Administrative and Procurement Review (AR/PR) requirements per TDA. Because we contract our food services, we have a review every 3 years. There is an off-site review first and the on-site review could happen as early as September. The last audit in 2023 had no PR findings, but we did have a Buy American finding in the AR, that is something they will focus on because of the USDA Final Rule regarding Buy American and because it was a finding during the last Administrative Review. Goes over requirements for Triennial Assessment. Required once every three years, we review it yearly in case changes need to be made for the following school year. The policy was last updated in 2017, and the plan is made with SMART goals. The Triennial Assessment results can be found on the district website under Health Services and SHAC.

Parent/Community Involvement: Lori Nunez thanks everyone for attending the SHAC Family Night back in April. Vendors offered flyers,swag, Lions Club did diabetes screenings, and HS health services did blood pressure checks during the event. Families walked the track, we offered hot dogs, chips, and fruit. AAR questions were if we had any areas that were left unattended or any suggestions of what could be done better for next year's event. Not having bounce houses made the event go a lot smoother. It was one less thing to have to find coverage for. No bounce houses allowed more funding for better take home items such as first aid kits, and drawstring bags. We

are thankful for all the sponsors who came forward to make the event a success. GT table DIY stress balls were popular with participants. Something we may want to consider changing is the date. Having it on a Thursday before a holiday impacts attendance. Back to school bash will be July 30th this year. We will send out a save the date middle of June and then get counts of vendors when we return in July. It will be from 5-7pm. We would like for Tarrant County food bank to return this year if their schedule permits.

Physical Education: Coach Childress said elementary was just approved for block scheduling for next year. Right now K-5 receive 30 mins of PE each day. With a block schedule they would have longer class time but fewer times per week instead of meeting every day. Trevino discusses co-mingling PK with K-5 lunches because of how the school schedule works. It allows bigger portions for PK and flavored milk. Right now we don't have enough time to reset our lines for K-5 grade levels after PK is served.

Health Services: Nurse Paige Williams is at JH today conducting the abstinence program, "Choosing the Best" is the curriculum we have chosen to do. It's an app in their SSO that stays from sixth grade all the way to 12th grade. Vanessa Guerrero from Texas Department of State Health in Cleburne. They can offer travel shot clinics if the school chooses to do so. They can offer health education, mostly oral health and other topics that need to be discussed related to health services.

Other Question, Comments, Concerns: Summer Feed "SSO" will be at Alvarado HS this year. Mon-Thurs, June 1st-30th. Free for all children 18 and under. Breakfast will be from 7:20am-8:30am and lunch will be from 11:30-1pm. Meeting ended at 2:10pm.

All SHAC members were thanked for coming to the meeting and participating. The next SHAC meeting is scheduled for Tuesday, September 15th at 1:30pm in the Admin meeting room.
