

ROTARY STUDENT OF THE MONTH

BROCK ROMERO

MANHATTAN HIGH SCHOOL
SEPTEMBER 2026

Brock Romero is a senior at Manhattan High School and an active leader in his school and community. He currently serves as the National Vice President of Community Service for FCCLA, one of ten National Officers representing over 270,000 members across the country and helping develop opportunities for FCCLA members to make a positive impact in their communities. Through FCCLA, Brock has been involved in numerous community service and leadership projects, including efforts addressing food insecurity and community safety, winning two Explore. Act. Tell. grants, one being a national winner, totaling up to \$2,250, and a MDT and Vision Zero grant, totalling \$5,000.

Outside of FCCLA, Brock has spent the past three years working as a ski instructor and camp counselor, focusing on youth development and leadership. He has been involved in BPA, NHS, Band, Speech and Drama, Golf, Student Council, Tiger Buddies, and the Manhattan Parks Board. These experiences, along with the influence of his FCS teacher, have strengthened his passion for working with and inspiring young people.

After high school, Brock plans to pursue a degree in Family and Consumer Sciences Education and become an FCS teacher. He hopes to make the same kind of positive impact on students that his teachers and mentors have made on him.
