State and Federal Programs, Local Control Accountability Plan (LCAP) Dr. Ashlee Chiarito

Dr. Ashlee Chiarito reviewed and reiterated the LCAP process and the final review.

Q: PAC Chair, Christopher De la Cerda: Since the governor's last budget, it shows schools will be receiving additional funds. Will that affect any funding to our schools?

A: Funds are being used very strategically. It's one-time money, and we must make sure we have a balanced budget. There was an increase in the COLA affecting us and our grants. Supplemental federal dollars are not required in the LCAP, but they are in there. in opposition to looking at the budget because of enrollment, we are getting more funding that anticipated in January. However, we are still in a spending deficit, but not as much as we thought.

C: America Cabrales, Tioga Middle School: As a parent of a SPED student, I would like more parent support when it comes to IEPs. I feel these meetings are so rushed that students are being rushed in IEPs.

2. Boundary Crossing and Collaboration - We are willing to cross political, social ethnic, and economic boundaries and partner with others to achieve community outcomes. We will lead "beyond the walls" to create an inclusive, cohesive community through partnership and collaboration;
3. Commitment to Outcomes - We are willing to take responsibility for tasks and achieve specific outcomes. We are committed to staying involved until the tasks are completed;
4. "Art of the Possible" Thinking - We believe that anything is possible in the Fresno Region. We will envision "success without limitations" and then backward map a specific, attainable strategy for achieving that vision;
5. Fact-Based Decision Making - To the greatest extent possible, we will base decisions and action plans on objective data, thereby avoiding distortion of issues by personal feelings or agendas;

CODE OF CONDUCT CONTINUES...

6. Truth Telling - We value the empowerment of everyone involved, along with all community stakeholders, to honestly and forthrightly share all knowledge, experience, and insights relative to the work at hand. We take responsibility for ensuring our "truth" is current, not historical. We all share the responsibility for maintaining the truth-telling standard;

7. Power Parity - We respect all persons and recognize that there are diverse viewpoints.

Positional power will not determine a strategy or preferred outcome, merit will. Viewpoints from diverse constituencies will be proactively sought to ensure the best possible outcomes for the community;

8. Commitment to Resolving Conflict - Conflict is inevitable and is sometimes required in order to achieve the best outcomes possible. Healthy conflict involves valuing every individual regardless of his or her stance on a specific issue and an unwavering commitment to working through the conflict in a positive manner despite its severity;

9. Asset-Based Approach - We are focused on using a strengths-based, asset-oriented approach to people and issues. We believe that positive change occurs when we appreciate, value, and invest in what is best for our people and community;

10. Conflict of Interest - We agree to disclose any personal or professional conflict of interest that may affect our objectivity before engaging in work that will impact the community. We seek to avoid even the appearance of impropriety.
