Smile big, Jags—it's **Picture Retake Day!**

If you missed your chance to shine on the original Picture Day, today is your moment. However, to step in front of the camera, you **MUST** meet one of these four requirements:

1. You were absent on original Picture Day.
2. You enrolled at our school after original Picture Day.
3. You brought your original Lifetouch photo packet to hand back to the photographer.
4. You have a signed note from your parent or guardian specifically asking for a retake.

No note, packet, or qualified excuse means **no retake**—no exceptions!
