

KEEP LEARNING THIS FALL BREAK

REST | RECHARGE | KEEP GROWING

Fall Break is a time to **rest, recharge**, and spend time together. A little continued reading and skill practice can also help students return to school ready to learn. **IXL** is a great resource for students to keep their skills strong during the break.

PRACTICE A LITTLE EACH DAY

We recommend about 20 minutes of Math and 20 minutes of ELA each day. Even a short amount of time can make a big difference!

FOCUS ON PERSONAL GOALS

Encourage your student to work from their individual IXL Learning Plan to practice skills that will help them grow and be successful in class.

MAKE LEARNING PART OF THE DAY

Learning can happen everywhere! Here are a few easy ideas:

- Read something they enjoy
- Talk about what they're reading
- Ask questions
- Explore a park, museum, or library
- Write, create, or try something new together

HOW TO LOG IN

- 1 Go to the [D11 Clever Portal](#).
- 2 Click on the IXL icon.
- 3 Your student will be signed in automatically!
