

Dear LBI Families,

I hope your school year is off to a wonderful start. For those I have not yet had the opportunity to meet, my name is Chelsea Kulp, and I am honored to serve as the new President of the Long Beach Island PTA for the 2026 –2027 school year.

Like many of you, I am a parent at LBI School and understand how important it is to feel connected to our students, teachers, staff and school community. The PTA helps strengthen those connections by supporting student programs, family engagement opportunities, teacher and staff appreciation, school events, enrichment activities and much more throughout the year.

As we move into fall, I hope you will consider joining the LBI PTA if you have not already. To everyone who has joined, thank you! Membership is a simple way to support our school community, stay informed, volunteer and have a voice in the PTA's work throughout the year.
