

CRISTO REY ATLANTA
JESUIT HIGH SCHOOL

IMPACT REPORT

Our Mission

Cristo Rey Atlanta Jesuit High School is a Catholic learning community that educates young people of limited economic means, of any faith or creed, to become men and women for and with others. Through a rigorous college preparatory curriculum, integrated with a relevant work study experience, students graduate prepared for college and life.

A REMARKABLE SCHOOL

Our mission at Cristo Rey Atlanta Jesuit High School is to provide an outstanding college preparatory education and Corporate Work Study experience for students who would not otherwise have access to these opportunities. One of our Root Beliefs is, *"Cura Personalis, or care of the individual person, is essential."* We strive to do all things with the best interest of our students at heart.

In August 2025, we launched a capital campaign to strengthen the resources that we provide for our students to be successful. All new collaborative desks and sit-to-stand desks in the classrooms create study environments conducive to different learning styles and creative instruction. A new Wellness Center and full indoor track give our athletes and students equipment and facilities where they can exercise in a safe location. A host of other improvements will allow us to help our students.

Our students encounter vast, new opportunities in their corporate job placements. Their college counselors help them navigate the college application process and source the best possible financial aid for their post-secondary education. We provide wraparound supports to ensure every student feels valued and confident to achieve their dreams. Cristo Rey Atlanta Jesuit is equipping our students with the academic, physical, social, and professional well-being that will prepare them for college and for life. Caring for our students is essential!

CORPORATE WORK STUDY PROGRAM

Education at Cristo Rey Atlanta Jesuit High School occurs both in the classroom and in corporate offices throughout the city. Through the innovative Corporate Work Study Program (CWSP), Cristo Rey Atlanta Jesuit High School students work one day a week at top local businesses. The earnings from this work pay for a large percentage of each student's tuition costs, giving them access to a rigorous, quality college-preparatory education that otherwise would be too expensive.

Cristo Rey students also gain valuable real-world job skills, connections, and experience through their CWSP jobs. They go on to college in record numbers, in large part because of their early exposure to the working world.

Endowments

Designated gifts to endowment funds help secure the financial future of Cristo Rey Atlanta Jesuit in perpetuity. Endowment funds are a permanent, self-sustaining source of funding. The school's General Endowment Fund supports the operational expenses of the school, and Named Endowment funds are determined by the donor and can be directed toward:

- student scholarships
- programming and academic excellence
- faculty and staff professional development
- Corporate Work Study experiences
- general operating expenses

Endowment assets are invested according to the school's Investment Policy. A portion of the value of the fund is paid out to support the fund's purpose each year once the fund has reached the corpus requirements. Any earnings in excess of this distribution are used to build the fund's market value, giving funds the chance to grow and provide support for its designated purpose in perpetuity.

Magis Legacy Society

Making a planned gift to Cristo Rey Atlanta Jesuit is a lasting and thoughtful way to ensure that the gift of an exceptional, college-prep education remains available to economically disadvantaged families. The Magis Legacy Society was established to honor donors who have included Cristo Rey Atlanta Jesuit in their estate plans. A bequest in your will or a beneficiary designation in your retirement plan or life insurance policy will forever make an impact on the lives of Cristo Rey Atlanta Jesuit students.
