

8TH GRADE FALCONS

POWELL FARM ADVENTURE

FIELD TRIP PERMISSION SLIP | Monday, October 19, 2026

A day of hiking, history, pumpkins, pollinators & a good old-fashioned bonfire!

Dear Parent/Guardian,

Our 8th Grade Falcons have a special opportunity to spend the day exploring Powell Farm! This outdoor learning experience will give students the chance to hike the farm, discover its history, and learn how Cranberry Township is committed to preserving and maintaining green space for our community.

During the visit, students will learn about the vegetation and crops produced on the **71-acre farm** - and we may even get the chance to pick a pumpkin! Students will also explore the purpose and benefits of bee boxes, including the important role bees and other pollinators play in a healthy environment and successful crop production.

We will wrap up the day with a **good old-fashioned bonfire and marshmallow roasting** - a fun ending to a day of learning, exploring, and enjoying the outdoors together.
