

Dear Families,

We have much happening at KMS in early October! Fall sports are wrapping up, with Football games at Legends Stadium, Volleyball Tournaments at Stillwater and here at KMS, and Cross Country at the Mission Meet in Pablo. The Fall Concert Music Series is just around the corner! We have had many extended classroom field trips in the last two weeks, and we have many more upcoming in the next week. It is an exciting time!

A reminder that next week, Wednesday October 14th is a full instructional day with dismissal at 3:00. There is no school on October 15th and 16th!

In October, we will begin focusing on the Kalispell Public Schools "Profile of a Graduate" skills that compliment and deepen academic achievement and are evident in successful people everywhere! Our October focus is "self-aware" as we are asking students to begin creating their learning portfolios that reflect on their current levels, celebrate strengths, and identify goals to work toward. Being "self-aware" of where you are and using that information to create a path to where you want to go is a great skill to cultivate! Student portfolio's will be shared by your student during KMS Parent Conference Night on November 11th. More information to follow but mark your calendars!
