

Dear Parents and Caregivers,

Welcome to a new school year! The Kellogg-Hubbard Library offers lots of enriching and fun programs and services for all ages, and we love having kids join us after school. Below you'll find some useful information about offerings and expectations for youth at the Library. Please reach out with any questions. We look forward to seeing you and your family at the Library!

Kids & the Library: Good to Know

- **Children under 9 must be supervised by a responsible person age 16 or older.**
The Library does not assume responsibility for children of any age in the building or on Library grounds. Unattended children can be at risk, just as they are in any other public place. Parents or legal guardians are always responsible for the well-being and safety of their children.
- **Public desktop and laptop computers are available for use by people of all ages.**
The Library does not use filtering software or monitor internet use. As with all Library resources, the Library affirms the right and responsibility of parents and guardians to determine, discuss, and monitor their children's use of the internet.
- **Everyone age 12 and up has Library privacy rights in the state of Vermont.**
*When a child turns 12, the Library needs their permission to share **any** information on their account, including with parents and guardians.*

If you live in or go to public school in Berlin, Calais, East Montpelier, Middlesex, Montpelier, or Worcester, we are your library!

Get your free Library card to check out books, graphic novels, board games, movies, Yoto players and cards, and local passes - plus access ebooks and audiobooks online! Sign up in person or visit www.kellogghubbard.org/get-a-library-card →
