- **Welcome Back, Wildcats!**
- Community Forum
- Meet our BOE
- Homecoming

***A MESSAGE FROM OUR SUPERINTENDENT*:**

There is nothing quite like the anticipation of a new school year, and I am excited to welcome our entire Wildcat community back for 2026–2027. A new year always brings fresh energy, new possibilities, and a chance to build on the momentum of our community. Whether you are returning or joining the JT family for the first time, we are glad you are here and eager to see all that our students will accomplish in the months ahead.

We have made significant progress since the official obligation of our building project, and our work over the summer focused heavily on moving that vision forward. We are currently working closely alongside FEMA and the New York State Division of Homeland Security and Emergency Services (DHSES) to refine our project plans. As we presented our initial designs to both agencies, several questions arose that required adjustments to guarantee the project is both fully supported and viable long-term. While we originally targeted later this fall for a public referendum, our top priority is reaching a final agreement with FEMA and NYS DHS on both design elements and total costs. The exact vote date will remain flexible until all parties are fully aligned, ensuring we bring the best possible plan forward to our community.

To help our school community stay seamlessly connected across daily operations, we are launching ParentSquare as our official district communication platform. ParentSquare will centralize all school announcements, classroom updates, and direct messaging into one easy-to-use hub, eliminating the need to track down news across multiple channels. You should have received information on how to set up a parent square account but feel free to reach out if you have any questions or trouble accessing the platform.

We are also continuing to modernize our classroom technology. Following last year's successful transition to Google and new devices for our older grades, we are expanding the rollout to our youngest learners this fall. Every student in grades K–2 will now be issued a new Chromebook, ensuring that all Wildcats from kindergarten through graduation have access to consistent, high-quality digital tools.

Our commitment to strong academics, student well-being, and community partnership is as strong as ever. Thank you for your continued support, patience, and school pride as we navigate these positive changes together. Here's to a productive, growth-filled, and exciting 2026–2027 school year - welcome back, Wildcats!

Sincerely,

Jason Oliver

WELCOME BACK, J-T WILDCATS!

It is my pleasure to welcome our students, families, faculty, and staff back for another exciting school year at Jasper-Troupsburg High School!

A new school year brings a fresh start, new opportunities, and plenty of possibilities. Whether you are returning to J-T or joining our Wildcat community for the first time, we are excited to have you with us!

At J-T High School, we are committed to creating a safe, supportive, and engaging environment where every student can learn, grow, and succeed. This year, we will continue to focus on meaningful learning, strong relationships, student achievement, attendance, and helping students see how what they learn today connects to their future.

To our students: ***Get involved, try new things, be kind, ask for help when you need it, and take pride in being a Wildcat!*** Every day is an opportunity to learn something new, grow, and make a difference.

Our success is a team effort, and we are grateful for the continued partnership and support of our families and community. Together, we can make this a great year for our students and our school.

I am excited for all that the year ahead will bring and look forward to celebrating the many accomplishments of our J-T Wildcats!

Welcome back, Wildcats! Let's make it a great year!

Mrs. Kerry Davis

HIGH SCHOOL HIGHLIGHTS

Watching Metamorphosis Unfold

In *Mrs. Terry's room* students observed the life cycle of Monarch butterflies. Students were able to watch caterpillars grow into adults and form their chrysalis. The use of flashlights were key to observing the metamorphosis happening inside the chrysalis. It was exciting for all to see the final emergence of the butterfly. Students watched butterflies expand and dry their wings. When the butterflies were ready, students were able to release them outside and watch them soar!

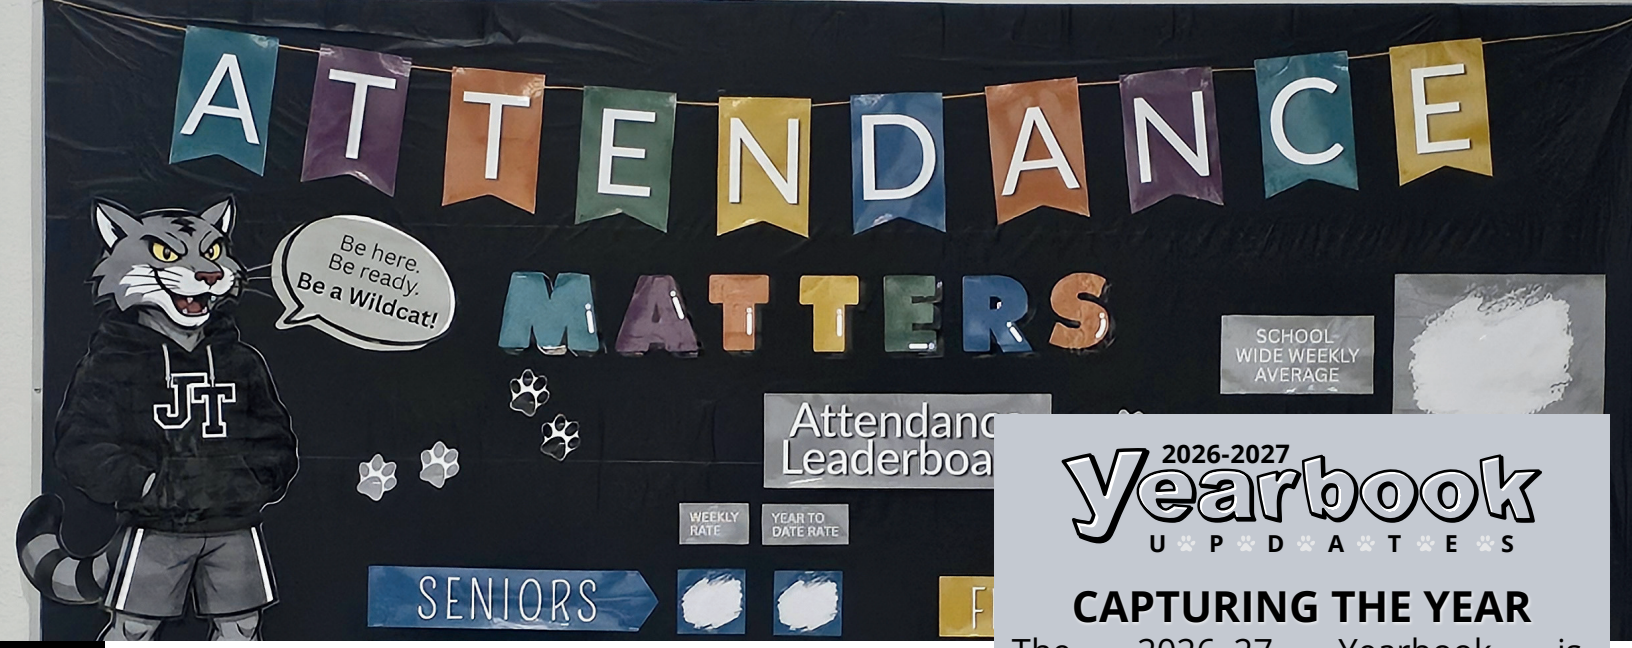

RONALD MCDONALD HOUSE CHARITIES PULL TAB PROJECT

The Class of 2027 is participating in an outreach project collecting pull tabs for Ronald McDonald House Charities for the 2026/27 school year.

Please send pull tabs into either the high school or elementary building.

Help us reach our goal. Remember, every tab makes a difference!

CLASS OF 2027

ATTENDANCE CHALLENGE: WHICH GRADE WILL COME OUT ON TOP?

Every day counts at J-T! This year, our high school students are taking part in a friendly *Attendance Challenge.* Each week, we'll keep track of the percentage of students present in each grade level, and the grade with the highest attendance percentage will have bragging rights for the week!

Regular attendance is an important part of student success. Being in school consistently gives students more opportunities to learn, participate in class, build relationships, and stay connected with their teachers and classmates. Even missing just a few days here and there can add up and make it harder for students to keep up with classroom learning.

So, Wildcats, *show up, get involved, and help your grade take the top spot!* Let's see which grade can lead the pack and show off their Wildcat attendance commitment!

2026-2027 Yearbook UPDATES

CAPTURING THE YEAR

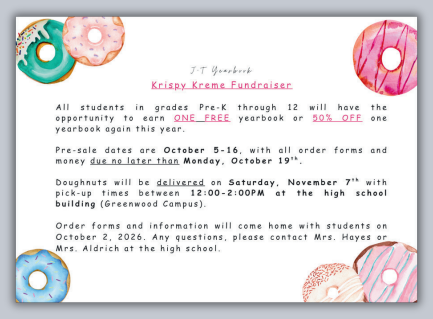

The 2026–27 Yearbook is underway! Led by advisors *Brooke Hayes and Amy Aldrich*, the yearbook class brings together students in grades 9–12 who work throughout the year to capture the people, moments, and memories that make this school year special.

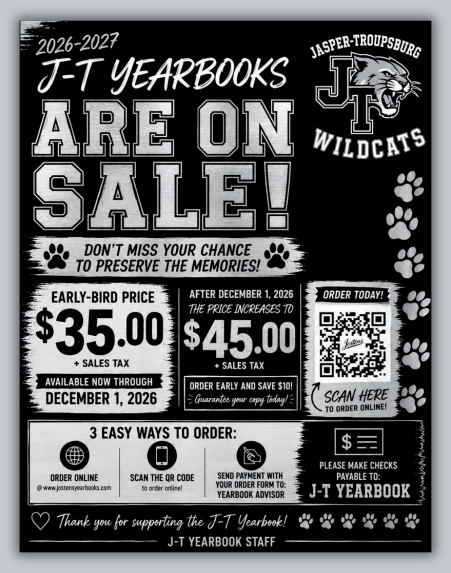

The class has some exciting plans ahead, including their annual Krispy Kreme Donut Fundraiser! Be on the lookout for more information and an opportunity to support this year's yearbook.

Yearbooks are on sale now.

FFA News

FFA STATE OFFICER TOUR

J-T FFA members traveled to the Penn Yan FFA Chapter to participate in the NY FFA State Officer Tour. *Thirty-one members* took advantage of this opportunity to meet State and National officers, explore effective leadership qualities, develop personal SMART goals, and prepare "soup in a jar" meals to be donated to a local food pantry.

It was a meaningful experience that provided members with opportunities to grow, lead, and serve. We are grateful to the state leaders and officers, Penn Yan FFA Chapter, J-T Transportation Department, and our parents for supporting our students and their involvement in agriculture and FFA.

J-T FFA SELECTED FOR NATIONAL CHAPTER CONNECT EXPERIENCE

We are excited to announce that our FFA chapter was one of just *32 chapters nationwide selected to participate in the National FFA Organization's Chapter Connect Experience!* Designed to foster meaningful connections among FFA members nationwide, the program brings chapters together to learn from different agricultural perspectives, share experiences and collaborate in service to their communities.

Through this program, we have been paired with the *Gary Comer FFA Chapter in Chicago, Illinois*, providing our members an opportunity to connect with FFA students from a very different agricultural setting. *Gary Comer FFA grows more than 16,000 pounds of food annually on their 1.7-acre farm*, utilizing a rooftop garden, food forest and hydroponics lab. Their students manage the program year-round, with 95% of the food staying within their community through school meals, local food pantries and direct distribution to students.

Our chapters have already met virtually and will connect again before meeting in person at the National FFA Convention. Together, students will attend workshops and convention sessions, share meals and complete a service project. The collaboration will continue after convention as our chapters work virtually on a community service project benefiting both communities.

While our agricultural programs may look very different (urban vs traditional) we share the same passion for agriculture and serving our communities.

We are excited for this unique opportunity to learn from one another and build a lasting FFA connection!

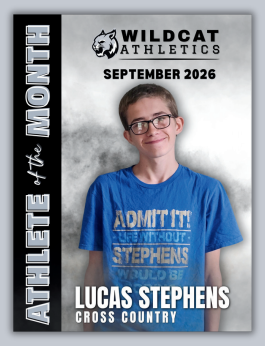

September's ATHLETE OF THE MONTH

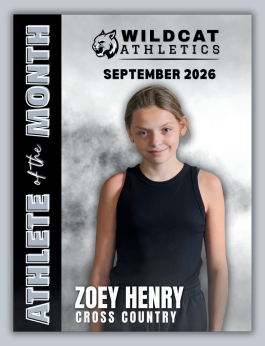

Congratulations to *Lucas Stephens* and *Zoey Henry*, our September Cross Country Athletes of the Month!

Coach Essigmann recognizes Lucas for his hard work and dedication throughout the season. Whether he is setting the pace for his teammates or humbly following Max and Landon as they push the pace, Lucas continues to challenge himself and those around him. His efforts are paying off, with top-five finishes in his first two races and a top-15 finish at his first invitational!

Zoey has been growing as a runner every day in practice. By linking up with teammate Avery and pushing herself to new levels, she continues to improve both her times and her impact on the team. Her hard work and positive example are helping her teammates grow right alongside her!

Congratulations, Lucas and Zoey! Keep up the great work and Wildcat Pride!

WILDCAT ATHLETICS

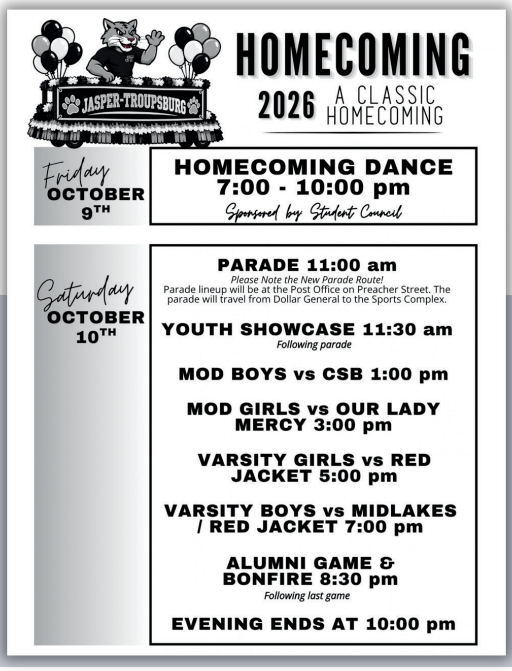

FALL SPORTS ARE UNDERWAY!

The fall sports season is officially underway, and *there is plenty to be excited about at J-T!* We have seen great numbers in soccer at both the Modified and Varsity levels, bringing lots of energy and enthusiasm to the field. We were also excited to be able to field a Modified Cross Country team this year, giving even more of our Wildcats the opportunity to compete and be part of a team.

If you've been by the Sports Complex recently, you may have noticed some improvements taking place. We were finally able to rebuild the water building, which was destroyed during the first flood in 2021. We have also been working to restore the soccer field, including fertilizing and addressing damage caused by the flooding.

It's great to see our Sports Complex getting some much-needed attention while our athletes are back in action. Here's to a great fall season, Wildcats!

HOMECOMING 2026: CLASSIC CARTOONS!

Get ready for a fun-filled Homecoming weekend as we celebrate this year's "Classic Cartoons" theme! The festivities kick off Friday night with a dance *sponsored by our HS Student Council*, followed by a full day of Homecoming fun on Saturday.

Saturday's celebration includes our annual parade, with a ***new route this year*** - from Dollar General to the Sports Complex, a full schedule of soccer games, and the always-entertaining Alumni Game. New this year, we'll cap off the evening with a bonfire (weather permitting)!

There's something for everyone - *come out, show your Wildcat spirit, and join us for Homecoming 2026!*

ELEMENTARY —NEWS—

LET'S MAKE IT A GREAT YEAR, WILDCATS!

I am excited for the start of another great year at Jasper-Troupsburg Elementary School! I am so thankful to work in a district with such amazing people. We have incredible students, dedicated teachers and staff, and a supportive community that comes together to help our students learn, grow, and succeed.

This year, we will continue to focus on *engaging learning, social-emotional growth, and leadership opportunities for every student.* As a Leader in Me Lighthouse School, we are proud of the way our students use the 8 Habits to set goals, make good choices, build confidence, and grow as leaders. *Most importantly, we want every student to feel safe, supported, valued, and excited to come to school each day.*

I am looking forward to all that this year will bring and am grateful for the continued partnership of our families and community. There is so much to be excited about, and I can't wait to see our Wildcats learn, grow, and shine!

Let's make it a great year, Wildcats!

Mr. Brian McCaffrey

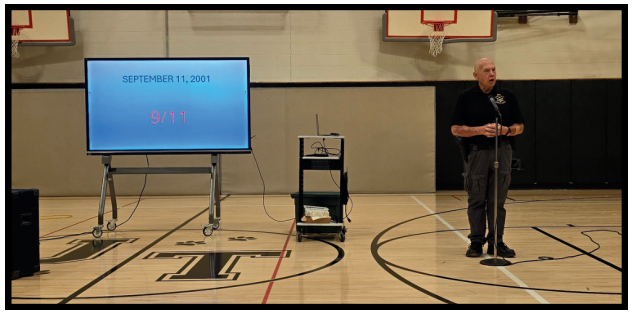

THE MORNING PROGRAM

Our *first Morning Program of the school year* was a meaningful start to the year, filled with learning, connection, and Wildcat spirit.

As we gathered the morning of *September 11*, it was difficult not to think about the events of September 11, 2001 - 25 years ago. *Mr. Mahoney* shared a short presentation during the Morning Program and visited several classrooms to talk with students. Having been at Ground Zero, he shared some of his personal experiences and helped our students understand the importance of remembering that day and those who were affected.

We extend our heartfelt thanks to Mr. Mahoney and all of the first responders for their courage, service, and tireless efforts that day and in the days that followed.

Students also welcomed our newest Wildcats, celebrated birthdays, reviewed important school and bus safety reminders, and learned about Constitution Day and our rights as U.S. citizens. To finish the morning, students had the opportunity to meet and sit with their new Paw Pals! *It was a wonderful morning of learning, remembering, and building connections.*

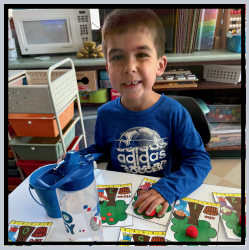

A Bushel of Fun in Kindergarten!

This week, *our Kindergarten students* had a fun-filled learning experience all about apples! They enjoyed a taste test and partnered with their Paw Pals to make homemade applesauce.

It was a delicious way to learn, explore, and enjoy the flavors of fall!

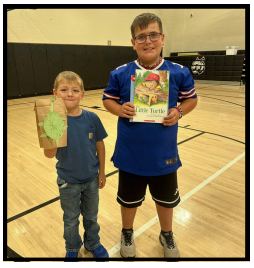

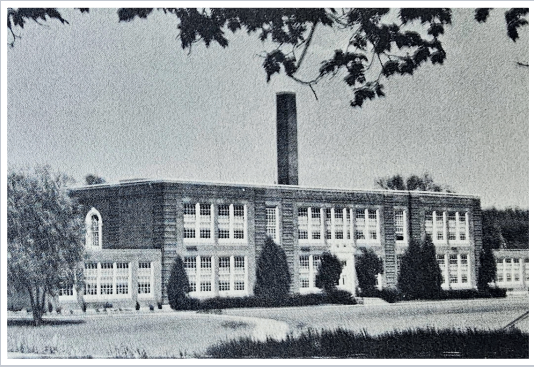

PAW PALS ARE BACK!

Our Paw Pal get-togethers are back in action for another school year! It's so nice to see our older elementary students paired up with their new younger Paw Pals, spending time together, interacting, and getting to know one another. These *special connections* are a wonderful way to build friendships, encourage kindness, and bring our Wildcats together across grade levels!

Did you know?

Jasper-Troupsburg Central School District was created in 1987 when the Jasper and Troupsburg school districts merged to form one district. Today, J-T serves students from Pre-K through 12th grade across two school buildings.

A WILDCAT WEDNESDAY TRADITION

Wednesday Chess at J-T Elementary School began last year with a small group of students who were interested in playing during lunchtime. Before long, more students wanted to join in, and we needed additional chess boards. Our community came together and donated both new and gently used boards so everyone who wanted to play could have a chance!

This year, even more students wanted the opportunity to play at lunchtime, including our younger Wildcats. We moved Wednesday Chess into the cafeteria, where multiple games can now take place at once. Some students are seasoned chess players, while others are just learning the game, but everyone is having a great time!

Along the way, *students are practicing taking turns, demonstrating good sportsmanship, and thinking strategically and logically*. What a fun way to spend a Wildcat Wednesday!

Cereal, Service & School Spirit

Our Student Lighthouse Team knew early in the the 2025-26 school year that they wanted to collect cereal boxes for an end-of-year service project, and they definitely made it happen! Our families donated over 100 boxes of unopened cereal, but before we sent the donations off to the Troupsburg Food Bank, we had to have a little fun! The Lighthouse Team set up a cereal box line down the hallway, and students and staff gathered to witness the domino effect as we knocked the first box down!

It was a total win-win for our community. We were able to have some fun while also helping those in need. Through projects like this, our students learned the importance of taking care of one another and building a sense of community both inside and outside of our school walls!

WALKING TOGETHER FOR CF

At the end of June, the elementary school participated in the annual CF walk to raise money for the Cystic Fibrosis Foundation. Every year, we raise hundreds of dollars due to the kindness and support of our community. Last June was no different! We collected *over $600 through cash and online donations!* As an added bonus, one of our favorite teachers, *Mrs. Allen*, was able to join us and let us know the definition of CF and why it is such a meaningful cause. We walked for 30 minutes in order to acknowledge the 30 minute treatments that those with CF must endure daily, and we couldn't have done it without the generosity and love of our Wildcat community!

Upcoming Dates

OCT 2: FALL PICTURE DAY

OCT 6: SOPHOMORE CAREER DAY
FEMA TOWN HALL MEETING

OCT 7: BOE MEETING

OCTOBER 9: EMERGENCY GO HOME DRILL
END OF 5 WEEK MARKING PERIOD

OCT 12: 7-9 HOMECOMING DANCE

OCT 10: HOMECOMING

OCT 12: NO SCHOOL

OCT 14: PSAT

OCT 15: FASFA NIGHT

Congratulations to *Lou Zver*, Jasper-Troupsburg's Director of Facilities, on being recognized with the America 250 Community Heroes Award! Lou was presented with this special honor by Congressman Nicholas A. Langworthy, representing New York's 23rd Congressional District.

We are proud to celebrate Lou for his dedication, hard work, and commitment to the Jasper-Troupsburg community.

Congratulations, Lou!

Welcome, Mrs. Whitesell!

Please join us in giving a big Wildcat welcome to *Mrs. Whitesell*, our new High School Art Teacher!

We're excited to have her sharing her creativity, talent, and passion for art with our students.

Welcome to the Wildcat family, Mrs. Whitesell!
Once a Wildcat, always a Wildcat!

Meet our Board of Education

Serving Our Students • Supporting Our Schools • Building Our Future

Cameron Bullock
Board President

What made you want to serve on the BOE?
I chose to serve on the Board of Education because I believe every student deserves access to a high-quality local education that opens doors and exposes them to meaningful, relevant opportunities. Supporting that mission - and helping ensure our district continues to grow, adapt, and provide the best possible experiences for all students - is what motivates me to serve.

What is your favorite thing about JT?
My favorite thing about J-T is the people. The support within this school community - how we show up for one another, encourage one another, and work together - makes J-T a place where everyone can thrive.

What does "Wildcat Pride" mean to you?
Wildcat Pride means doing the right thing even when no one is watching, lifting each other up, and leaving every place - and every person - better than we found them. It's about accepting individuals for who they are and motivating one another to be our best, together.

Dylan Price
Board Vice-President

What made you want to serve on the BOE?
I wanted to serve as a member of the board of education to ensure the district would offer the best possible education to its students. I want to see the students and community thrive while being mindful of tax payers dollars.

What is your favorite thing about JT?
My favorite thing about Jasper-Troupsburg is the community and the people who dedicate their time and efforts to make it special.

What does "Wildcat Pride" mean to you?
To me, Wildcat Pride means a number of things. From my earliest years as a Wildcat, to my last day of high school, J-T always felt like home. I am proud of the teachers and staff and community members that make this district so great.

Chad Groff

What made you want to serve on the BOE?
I was asked to serve for the BOE by some of my former students. I believe I provide an education focused perspective on the board as a former school counselor and retired superintendent of schools. My professional experience also brings a thorough understanding of school finance and budgeting.

What is your favorite thing about JT?
I believe many people in the community are willing to support our students and pitch in when needed. So many current and former teachers and staff have poured themselves into the growth and development of our students.

What does "Wildcat Pride" mean to you?
It means the connections that are developed with students that endure once they leave the building. I continue to have "grown-up" former students still refer to me as Mr. Groff and want to tell me what they are doing. And as someone once said - once a Wildcat, always a Wildcat.

Laura Eggleston

What made you want to serve on the BOE?

I usually answer this question by joking that if I served on the board, my wild child wouldn't be kicked out of school! But seriously, I really wanted to do something to give back to my community. And I believe that investing in our youth and future generations is so important. Serving on the board is a perfect way to combine those two values and do some good!

What is your favorite thing about JT?

My favorite thing about J-T is that I can always count on running into someone (or more often than not, many someones) that I know. I love that each event, whether it's an elementary school concert or a high school ball game, is an opportunity to catch up with a neighbor!

What does “Wildcat Pride” mean to you?

Wildcat pride is hard to put into words, but is so easy to feel! It's leading with kindness. It's helping and supporting and caring for one another. It's knowing we are made stronger by maintaining our bond as a community. I can honestly say with my whole heart, I am very proud to be a Wildcat but even more proud to be a Wildcat alongside all of you!

Jason Ives

What made you want to serve on the BOE?

I chose to serve on the Board to gain a deeper understanding of how the district operates - especially financially - and to better appreciate the work that goes into supporting our students, staff, and community.

What is your favorite thing about JT?

I’ve lived in the district for 14 years, and I truly value the small-town, rural setting. It’s the perfect place for our small beef farm to grow, and it’s a community where people look out for one another. That sense of closeness is something you don’t find everywhere.

What does “Wildcat Pride” mean to you?

Wildcat Pride means taking care of each other. It’s the everyday moments - neighbors helping neighbors, families showing up for school events, and the friendly wave you get from every buggy on the road. We may be a small district, but the pride, involvement, and heart of this community make it feel much bigger.

Melissa Miles

What made you want to serve on the BOE?

I had attended several board meetings and many times was the only person attending. I was a write in and decided to accept it because I wanted to remain informed and have an impact on our community and school district.

What is your favorite thing about JT?

The community involvement and small town feel that remains even within the halls of our school. There is more support for others than you see in larger school districts.

What does “Wildcat Pride” mean to you?

For families who stay rooted in the community long after graduation, Wildcat Pride grows into something deeper. It’s a connection to the place that helped raise us, a gratitude for the people who guided our children, and a dedication to keeping our schools strong for those who come next.

Jennifer Adams

What made you want to serve on the BOE?

This is an exciting time for our community and school district. With one child currently enrolled and three who have already graduated from JT, I’ve seen firsthand how important strong leadership, stability, and a positive learning environment are for our students. I want to be a part of creating that for our students.

What is your favorite thing about JT?

My favorite thing about Jasper-Troupsburg is the sense of community. This is a place where people show up for each other — whether it’s at sporting events, school functions, or community projects. JT is small, but it’s strong, and the pride people take in supporting students is something you don’t find everywhere. I see our school district as a hidden gem.

What does “Wildcat Pride” mean to you?

Wildcat Pride is the way our community rallies around our kids, celebrates their successes, and helps them grow. It’s a commitment to doing what’s right for students and modeling the values we want them to carry into the world. It's seeing students come back to JT as teachers and coaches to support the next generation of Wildcats.

ANNUAL AHERA
(ASBESTOS HAZARD EMERGENCY RESPONSE ACT) NOTIFICATION

In accordance with the Asbestos Hazard Emergency Response Act (AHERA), 40 CFR §§ 763.84(c), (f), and 763.93(g)(2), Jasper-Troupsburg Central School District annually notifies parents, guardians, staff, and employee organizations that the District's AHERA Asbestos Management Plans are available for public review.

Copies of the AHERA Management Plans, including information regarding current or planned asbestos inspections, response actions, and post-response activities, are available during normal business hours in the main offices of both the ***Jasper-Troupsburg Jr./Sr. High School*** and the ***Troupsburg Elementary School***.

If you have any questions regarding the District's AHERA program, please contact the District Office.

PESTICIDE APPLICATION NOTIFICATION
(EDUCATION LAW § 409-H)

In accordance with New York State Education Law § 409-h, Jasper-Troupsburg Central School District provides annual notice that pesticide applications may be conducted on school property during the school year when necessary. Parents/guardians, students, and staff may request to receive written notification at least **48 hours** prior to any scheduled pesticide application.

To register to receive advance notification or for additional information, please contact: District Office Email at info@jtcsd.org.

Jasper-Troupsburg Central School District
WATER SAFETY INFORMATION FOR FAMILIES

Keeping children safe around water is everyone's responsibility. Whether at a pool, lake, pond, river, or during recreational activities, taking simple precautions can prevent serious injuries and save lives.

Prevent Drowning 1
- Always provide close, constant adult supervision whenever children are near water, even if they know how to swim.
- Young children should always remain within arm's reach of an adult while in or around water.
- Never leave children unattended in bathtubs, pools, or near any body of water.
- Avoid distractions such as cell phones while supervising children around water.

Learn to Swim 2
- Enroll children in age appropriate swimming lessons when possible.
- Encourage everyone in the family to develop basic swimming and water safety skills.
- Remember that swimming lessons reduce risk but do not replace adult supervision.

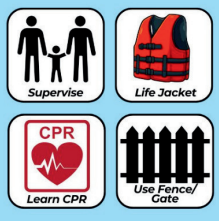

Wear Life Jackets 3
- Children and inexperienced swimmers should wear a properly fitted, U.S. Coast Guard approved life jacket when boating, fishing, kayaking, canoeing, or participating in other water activities
- Inflatable toys and water wings are not life saving devices and should never be used in place of a life jacket.

Stay Safe Around Natural Water 4
- Rivers, lakes, ponds, and streams can have strong currents, cold water, changing depths, and hidden hazards.
- Swim only in designated swimming areas whenever possible.
- Never dive into unfamiliar water.

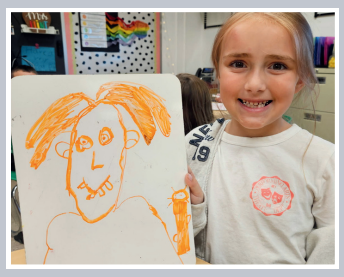

Pool Safety 5
- Ensure pools are surrounded by a fence with a self closing, self latching gate.
- Remove toys from pools after use so children are not tempted to enter the water unsupervised.
- Keep rescue equipment and a phone nearby in case of an emergency.

Be Prepared 6
- Learn CPR. Quick action can save a life before emergency responders arrive.
- Call 911 immediately if someone is in trouble in the water.
- Teach children to ask permission before entering the water.

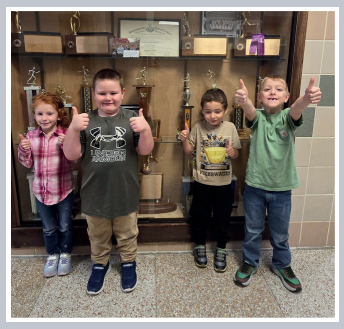

Healthy Swimming 7
- Do not swim if you are sick with diarrhea.
- Shower before entering a pool.
- Take children on regular bathroom breaks.
- Avoid swallowing pool or lake water.
