Cumulative GPA & Rank

MHS/MVTHS individual standing is determined on the basis of a 4.0 weighted scale. Course levels range based on degree of difficulty, achievement, expectations, and acceleration. Class rank and GPA are computed at the end of each semester for all courses except those with a grade of P (passing). Transfer grades (for high school courses taken outside of Medford Public Schools) are not factored into the GPA or rank, but will appear on the transcript. Dual enrollment courses are factored into the GPA and rank calculation unless noted with an *asterisk..
