

NYSED Numeracy Initiative Statewide Conference

October 27, 2026 | 9:00 AM – 12:00 PM

**Eastern Suffolk BOCES
Instructional Support Center at Sequoya
750 Waverly Ave, Holtsville**

Join colleagues for a day focused on **strengthening mathematics instruction and advancing student numeracy across grades K–5**. Explore the NYSED Numeracy Initiative and discover practical resources, strategies, and evidence-based practices to support high-quality, culturally responsive mathematics instruction.

Information regarding the **Numeracy Attestation** and best practices in mathematics instruction will also be shared.

This hybrid webinar, featuring in-person discussion and presentations, will provide **administrators, numeracy leaders, and educators** with specific, actionable information and resources to support high-quality mathematics instruction.

Participants must attend **in person**. District teams are encouraged to participate; however, **registration is limited to 6 participants per district team**.
