

Position: Assistant Track and Field Coach – Sprints and Jumps Coach Opening

Supervisor: Head Track Coach

Position Summary:

Bishop England High School is seeking a dedicated **Assistant Track & Field Coach** to lead our sprints and jumps program. This coach will work under Head Coach Tony Colizzi while overseeing training, athlete development, and meet preparation for sprinters and jumpers.

Qualifications:

Experience: We are looking for someone with knowledge of sprint and jump techniques, strong communication skills, and a commitment to helping student-athletes grow and succeed. Preferably someone who has previously coached Track and Field.

Certifications: Must be AED/CPR certified, pass a background screening, must take required Bishop England and SCHSL rules and courses associated with state/church requirements.

Duties:

1. Serve as an appropriate role model to high school athletes through instruction, dress, and actions.
2. Be able to develop athletes mentally, physically, and spiritually.
3. Supervise athletes before, during, and after practices and meets.
4. Be able to communicate with all stakeholders of the program including athletes, parents, and community members.
5. Be knowledgeable about SCHSL rules and regulations.
6. Work directly with the head coach by keeping inventory/storage of all equipment and uniforms.
7. Help with the upkeep of the track and track equipment.
8. Promotes the track program in the community and encourages increased participation.
9. Performs other duties assigned by the head coach.

Schedule & Compensation

- **Practices:** Monday–Friday, 3:15–5:30 p.m.
- **Meets:** Wednesdays and Saturdays
- **Compensation:** This position includes a stipend.
